## Retirement plan merger update

Dear participant,

You previously received notification that your Loyola University of Chicago Defined Contribution Plan (mutual funds) at TIAA would be merging into the Loyola University of Chicago Defined Contribution Plan at Transamerica on April 2, 2020.

Due to recent market volatility, we have decided to postpone this transfer until further notice. Not to worry, you will still have full access to your accounts.

If you have questions about your TIAA account, visit [tiaa.org/luc](https://tiaa.org/luc) or call **800-842-2638**.

If you have questions about your Transamerica account, visit [transamerica.com/portal/luc](https://transamerica.com/portal/luc) or call **773-508-2770**.

Working to support your retirement planning,

**Loyola University Chicago**
