• Strong performance of deeper value strategies were a headwind during some of the volatile quarter rotations over the last two years

  • Greater exposure to consumer discretionary and more aggressive growth holdings distracted from results

  o **Vanguard Target Retirement Funds**
  • 2070 Fund was recently created and is available
  • Consider adding 2070 TRF to the plan when administratively convenient. Recommend that this be added after next fund share class review in case there are any fund share class changes to be made, so we can group all of the changes together.
