RULES

- 1** Eligible LUC faculty or staff players have an opportunity to answer a Loyola- or Chicago-themed trivia or riddle question to earn a Plinko chip. Incorrect answers result in game elimination.
- 2** Once a Plinko chip is earned, participants may drop it from any slot at the top of the board. No pushing, throwing, tilting, or re-dropping chips once released.
- 3** If a Plinko chip lands in the "0" slot, a prize is not awarded.
- 4** All other slots (100, 500, 1,000, 10,000, 1,000, 500, 100) are winning prize slots.
- 5** Eligible participants can only win once. If a participant wins more than once, donating the prize to another eligible participant or forfeiting the win is required. All game decisions made by event staff are final, and digital prizes are awarded during the week of August 3, 2026.
