We hope you will stay on campus to enjoy the full experience of Summer Scripture! All lodging pricing includes the 17.4% Chicago tax and are the most reasonably priced options you will find for overnight stays in Chicago!

Loyola University Chicago has taken the reins to continue this tradition launched in 1974 out of the encouragement of Vatican II, to bring understanding and study of Scripture into the forefront of a wider Catholic audience. This will be the first year the Conference will be held at Loyola University's beautiful Lake Shore Campus!

In support of the USCCB's efforts for National Eucharistic Revival, we are happy to announce this year's theme – in a name: Jesus. Every word in Sacred Scripture tells of Him, the Word of God, and of His love for us. This love is remembered and celebrated – in fact, realized – in the Sacrament of the Most Holy Eucharist. Truly, Jesus, the Word made flesh, time and time again. Please join our conference as we seek to understand better the relationship between Sacred Scripture and the Word made flesh in the Eucharist, and how this relationship gives life to us and the world, now and forever. Amen!

Opening Keynote will be Todd Williamson, Director of the Office for Divine Worship for the Archdiocese of Chicago. Scripture Scholars include Dr. Thomas Wetzel and Dr. Maria Barga and more.
