

Applicants to the Divinity/Social Work program or to the Social Work/Social Justice program should address the questions posed by IPS as well as the following questions by the School of Social Work. Please be sure to answer both sections below:

- A. Please describe what a career in social work means to you. Touch on specific populations, environments, an area of practice, research, policy, or programming that interests you. How will a Social Work education prepare you for work in this field? Limit to 500 words.

- B. Please write about your decision to pursue a degree in social work now. Reflect on personal and professional factors, your timing of deciding to pursue graduate school, financial considerations, and work/life obligations. Limit 500 words.
