Instructions and Procedures:
Fill out the top portion and the academic status portions. Attach a separate sheet of paper detailing your answers to question 2
and 3 below. Return the form for approval to your academic advisor.

The IPS complete policies and procedures are listed in their entirety on our website www.luc.edu/ips under the Academic
Policies page. The following is a partial listing of policies relevant to Continuous Registration and Reinstatement:

- **Continuous Registration:** All students, including those who have completed all coursework, are required to maintain continuous
  registration during the regular academic year (not including summer sessions) until all degree requirements are met, unless they have
  received a leave of absence. Continuous registration means registration during both fall and spring semesters of the academic year
  (unless the student receives a leave of absence). In cases where a student elects to pursue their degree in a summer only basis,
  continuous registration means registration in continuous summers unless a student receives a leave of absence. (Summer-only student
  status does not change if they take an on-line course during the regular academic school year).

- **Inactive Status:** Students who do not meet the requirement of continuous registration are considered inactive and not in good academic
  standing. To request reinstatement to active status, the inactive student should discuss the matter with the academic advisor and send the IPS
  Director a written request for reinstatement, which must include the following information: 1) the academic semester/term for which the student
  is requesting reinstatement; 2) information as to why the student discontinued her/his studies and information on the nature of any academic or
  professional work undertaken since the discontinuation of her/his studies; and 3) a proposed time line for completion of outstanding degree
  requirements.

Information on Academic Status:
Note: The IPS will not act on your request if complete information is not provided.
