

## IPS SPONSORED MATCHING GRANT APPLICATION

IPS Sponsored Matching Grant assists students actively involved in professional ministry. Forms must be submitted at least one month prior to the semester for which they are applied. A Sponsored Matching Grant is figured into a student's financial package and impacts the dollar amounts eligible for student loans, often decreasing that amount.

If a parish, school, hospital, diocese or other non-profit agency is willing to pay a portion of a student's tuition, Loyola University Chicago will match that amount (**up to but not more than 1/3 of tuition**). This grant applies to tuition only, and does not cover zero credit courses, fees, books, supplies, IPS audits, etc. This grant may not be used in conjunction with other non-loan tuition awards from IPS, including IPS merit scholarships, or grants. Payments must be made from the agency and mailed directly to IPS in order for the funds to be matched. If the sponsoring agency would also like to cover any fees the student has assessed, the sponsor may pay these fees, but they must be paid in a separate check. Please note, IPS grants and scholarships will not be awarded to students who are receiving the Mission Grant, the Archdiocese of Chicago Lay Ecclesial Ministry or Critical Needs scholarship, Diversity Scholarship, JVC MAGIS, or Army ROTC scholarship grant.

Complete the form, acquire the signature of the responsible person in the sponsoring agency, and return it with your sponsor's check made (only allowed method of payment) payable to Loyola University Chicago to:
