Odd or even refers to the year in which the semester falls. A fall semester odd course is offered in the fall of 2019, 2021, etc. A fall semester even course is offered in the fall of 2020, 2022, etc. A spring semester odd course is offered in the spring of 2019, 2021, etc. A spring semester even course is offered in the spring of 2020, 2022, etc.

[1] IPS 555 offered in spring terms on campus is recommended for Pastoral Counseling students, but open to all students

IPS 593 is offered every term and requires four meetings which can take place online or face to face

A hybrid course means at least 75% of the course is delivered online. There may also be specific times when students are required to participate in real-time, virtual (synchronous) sessions

S** Selective

* IPS 400 If required at the time of admission
