<td><strong>Locus Enhancements</strong> (PSS 2552, 2555)</td>
<td>Academic Affairs (Pelissero)</td>
<td>Adams, Pullen</td>
<td></td>
<td>Green</td>
<td><strong>Institutional Impact:</strong> Continued enhancements to the Student System set of modules (LOCUS) that address the central student and faculty needs for Loyola. <strong>Recent Activity:</strong> FA Loans/Disbursements are largely completed for Fall 2018 (2552); WebAssign application math teaching tool now uses University ID for authentication (2555). <strong>Next Steps:</strong> Complete any final needs for FA process for AY 2017-18; Prepare for AY 2018-19 (2552); Evaluate additional automation opportunities for WebAssign (2555).</td>

<td><strong>Online Exam Proctor Solution Pilot</strong></td>
<td>Academic Affairs (D’Agostino / Dysart)</td>
<td>Yun</td>
<td></td>
<td>Green</td>
<td><strong>Institutional Impact:</strong> Enhance the integrity of LUC’s online programs and improve Loyola’s position to meet future accreditation requirements. <strong>Recent Activity:</strong> Summer session pilot concluded successfully in August; five faculty members from five different schools participated. Approx. 225 proctored sessions logged from ten (10) exams administered. Collection of faculty and student pilot feedback is underway as well as draft of Assessment report for distribution to ATC, CCBOL, &amp; ITESC committees. <strong>Next Steps:</strong> 1) Finalize/circulate the Assessment report and present results from pilot to the ATC, CCBOL, &amp; ITESC committees. 2) Obtaining input and recommendation on the next steps.</td>

<tr>
<td><strong>PROLAW Scholars Network Application and Database</strong> (PSS 2549)</td>
<td>School of Law (William Loris)</td>
<td>Heckel</td>
<td></td>
<td>Green</td>
<td><strong>Institutional Impact:</strong> Provide a website for potential students and donors to review the PROLAW program and see the impact that alumni are having. Potential donors, governments, international organizations, peace-keeping missions and non-governmental organizations can contact the alumni directly furthering the mission of PROLAW. <strong>Recent Activity:</strong> Completed development of the application and database. The development site has been provided to client for user acceptance testing. <strong>Next Steps:</strong> After receiving approval from client, deploy application to production.</td>
</tr>
<tr>
<td><strong>Interface Data to LiveText from Sakai and LOCUS</strong> (PSS 2467)</td>
<td>School of Education (Pigott)</td>
<td>Vavarutsos</td>
<td></td>
<td>Completed</td>
<td><strong>Institutional Impact:</strong> Allows School of Education Students to record and maintain their assessments. <strong>Recent Activity:</strong> COMPLETED Data interface was developed to allow the automatic import of SOE students into the LiveText system. The data includes the student Class-Section enrollment for each Term. This interface runs weekly so that if a student drops a class, they are captured as such in the LiveText system. <strong>Next Steps:</strong> Ongoing maintenance.</td>
