Searching for Courses
In order to view ALL of the law courses that are being offered for the Spring 2023 (1232) term, remove the default value in the Course Career on the Class Search. The Class Search Criteria has a field called Course Career which defaults to the student’s Academic Career. Clear this field by selecting the blank space on the drop down value. All classes will be displayed on the Class Search results.
Final Exam Scheduling
Check the examination schedule before enrolling in classes. No accommodations will be made for students who register for classes with final exams that conflict.

Online Courses for JD Students
No online classes taken from Spring 2020 through Spring 2022 will count toward the online credit limits. Beginning with the Summer, 2022 term, no more than 28 online credit hours will count towards the 86.0 minimum credit hours required for graduation.

Dual Degree Students
Students who have been recently admitted to a dual degree program within another school of the university must contact the Law Registrar, Dora Jacks, prior to registering for law school courses. All dual degree students must enroll in graduate courses under their Graduate Career in LOCUS.

Course Load Requirements
Full-time students may not take less than 12 hours or more than 17 hours per semester. Part-time students may not take less than 8 hours or more than 12 hours per semester.

First Year Students
Full-time 1Ls must register for Constitutional Law, Contracts, Criminal Law and Legal Writing II in the same section to which they are currently assigned. All full-time 1Ls must also register for ONE Perspective Elective (Per Elec) course. 1Ls may not register for any other courses.

Part-time 1Ls must register for Contracts and Criminal Law in the same weekend section. In addition, part-time 1Ls must register for Legal Writing II in the same section to which they are currently assigned. Part-time 1Ls may NOT register for Perspective Elective (Per Elec) courses or any other courses.
