Additional donations to Madonna della Strada Chapel or Loyola University Chicago are always welcome.

All weddings at Loyola University Chicago must adhere to the policies as outlined in this entire document.

It is imperative that this entire document be read in its entirety prior to signing the wedding contract.

No exceptions are made to the policies outlined in this document.

By signing the contract you agree to the policies set forth.

Step 1: Make a reservation

- The first step in planning your wedding is to contact the administrative assistant for Weddings to make a reservation, at: MDS@LUC.edu
- Once this tentative reservation has been made, the administrative assistant will need you to complete the [Wedding Intake Form](#) found at: www.luc.edu/mdsweddings
- In order for your reservation to be confirmed, the Intake Form must be returned, payment made, and contract signed.
- Upon receipt of your wedding fee, the contract will be generated and sent to you for your approval.
- A confirmed reservation is also contingent upon approval of your wedding. (See Step #2)
- Any annulment proceedings must be cleared before a reservation can be made.

Step 2: Approval of Your Wedding

The normative location for a wedding is at a parish church. Typically it is the parish where the bride and groom are registered members or at the home parish of a bride or groom.

Madonna della Strada Chapel is not a parish church. Therefore, all weddings at Madonna della Strada are considered an exception and require approval from the Archdiocese of Chicago.

APPROVAL PROCESS DOCUMENTATION

The following documentation must be provided by the bride and groom and submitted to Loyola University:

- ✚ RELATIONSHIP LETTER – A letter from the couple to the Administrative Assistant for Weddings requesting the wedding be at Madonna della Strada Chapel rather than your parish church. In this letter, explain why it is important for you to be married at Loyola and your relationship (i.e. Alumni, student, staff, faculty.)
- ✚ CURRENT PASTOR PERMISSION LETTER – A letter from the current pastor of the bride or groom indicating his permission for the bride/groom to be married outside of the parish. This can be obtained from the parish where you are registered or from the Catholic Church that is closest to where you live.
- ✚ PRESIDER'S REQUEST FOR DELEGATION FROM THE PASTOR AT SAINT IGNATIUS PARISH
 - This is a form letter available for download from our website, www.luc.edu/mdsweddings, under the DOCUMENTS module. It is titled "Presider Delegation."
 - This form letter is from the presiding priest or deacon who is to perform the ceremony, indicating that he will work with the couple to see that the Chicago Archdiocesan guidelines on marriage preparation are fulfilled, and that he will provide Loyola University Chicago with the documentation for the marriage register and files. The letter requests permission from the Pastor of Saint Ignatius Church to celebrate your wedding at Madonna della Strada Chapel. The letter also states that the presiding priest or deacon will abide by all chapel policies. If the presiding priest is not from the Archdiocese of Chicago, he must attach documented proof from his diocese or religious order indicating that he is a priest in good standing.

Please turn in these documents to the Sacramental Life office as you receive them.

In order for your reservation to be confirmed, all of the documents need to be returned within one month of your scheduled wedding date or your wedding will be canceled.

The following documentation is provided by Loyola University Chicago:

- ✚ LOYOLA PERMISSION LETTER – A letter from Loyola University Chicago granting permission for the wedding to be celebrated at Loyola University Chicago. This letter will also designate the contact person at the university who will make specific arrangements. The letter will also confirm the bride or groom's relationship to the university.
- ✚ PERMISSION FOR MARRIAGE AND PERMISSION FOR PRESIDER DELEGATION A) Letter from the pastor at Saint Ignatius Parish indicating his approval for the wedding to be celebrated within the parish boundaries. B) His willingness to delegate the celebrant of the marriage. C) His willingness to record the wedding in the Saint Ignatius registry.

The administrative assistant for Sacramental Life sends all documentation to the Archdiocese of Chicago for approval.

Please remember that all weddings are considered tentative until approval is granted by the Archdiocese of Chicago.

The administrative assistant will notify you once approval is granted or inform you if additional steps are required.

Step 3: Preparing For Your Wedding

CHURCH REQUIREMENTS

The following information should be filled out by you and your presiding priest or deacon. Please turn in these documents to the Sacramental Life office as you receive them.

1. The prenuptial questionnaire for the bride and groom will be completed by you and your presiding priest or deacon. The Catholic Couple Checkup (CCC) is a tool to help couples explore the many dimensions of married life. This is not a test but rather a way for couples to explore areas of compatibility and incompatibility. The CCC can be found at: www.familyministries.org
2. A Baptismal Certificate less than six months old is required for each Catholic. A newly reissued baptismal record must be obtained from the parish of Baptism. Non-Catholics who have been baptized are requested to provide a reissued baptismal record or letter from the church of their baptism. Baptismal and confirmation records may be obtained by writing to the church(es) where these sacraments were administered.
3. The Confirmation date is needed for Catholics. Usually this will appear on the baptismal certificate, even if you were confirmed in a different church. Receiving a re-issued baptismal certificate is the easiest way to fulfill this requirement. Baptismal and confirmation records may be obtained by writing to the church(es) where these sacraments were administered.
4. Affidavits are asked of the bride and/or groom. These affidavits are testimonials regarding your freedom to marry. These forms must be filled out with a priest or deacon.
5. When a marriage takes place between a Catholic and a non-Catholic, a dispensation or permission is required.

In order for your reservation to be confirmed, all of the documents need to be returned within one month of your scheduled wedding date or your wedding will be canceled.

MARRIAGE PREPARATION PROGRAM

In addition to assisting you with the wedding day, the Church wishes to assist you in building a successful marriage. In order to do this, the Archdiocese of Chicago requires that all couples complete a premarital program. These programs are designed to deepen your awareness of the challenges of living together in Christian marriage. Through discussions, exercises and presentations, you will have the opportunity to concentrate more intensely on the many facets of married life. The marriage preparation program should be completed well in advance of the date of the wedding.

The Archdiocese of Chicago offers a pre-marital program. Information can be found at www.familyministries.org and click on "ENGAGED." On the next page, underneath "ENGAGED," click on "Marriage Preparation Classes."

Documentation of attendance at a Marriage Preparation program must be obtained. This information must be submitted to the administrative assistant at least one month prior to your wedding.

WEDDING CEREMONY WITNESSES

Two witnesses (best man and maid/matron of honor) are required. In an interfaith marriage, one witness must be Catholic.

CIVIL REQUIREMENTS: MARRIAGE LICENSE

A marriage license is required from the Cook County Clerk's office. The web site with complete information for obtaining a license is listed below.

The only signature required on the license is that of the presiding priest, who will sign it following your wedding. The presiding priest will then return the license to the administrative assistant at Sacramental Life

<http://www.cookcountyclerk.com/vitalrecords/marriagelicense/Pages/default.aspx>

To order a copy of your marriage license for your records, you may call 312.603.7799 with a credit card number and a copy of your license will be mailed to you.

Step 4: Planning for Your Wedding Ceremony and Rehearsal

THE WEDDING LITURGY

The wedding liturgy should be the highlight of your day. In order to celebrate it fully and with beauty, Loyola provides guidelines for the planning and celebration of your wedding. We want your wedding to be celebrated with beauty and organization so that it may be one of the proudest and most special days of your life.

These guidelines are here to help your wedding be beautiful and to respect the chapel and its usage. It may be easy for you to feel hardship or hurt feelings over some of these policies. Please be sure to read this in its entirety and agree to it so as to prevent any hardship in planning your wedding.

Your wedding will take place within the context of the Catholic liturgy. The liturgy may either be a Mass – similar to that of a typical parish Mass, or a wedding ceremony- a liturgy without communion. Either service will be conducted with beauty and devotion. The determining criteria will center on the religious background of the bride and groom.

TIME SCHEDULE

Saturday at 11:00 am (10:30am-12:30pm) with a 4:00 pm Friday Rehearsal (4:00pm-5:00pm).

Saturday at 1:00 pm (12:30pm-2:30pm) with a 5:00 pm Friday Rehearsal (5:00pm-6:00pm).

Saturday at 3:00 pm (2:30pm-4:30pm) with a 6:00 pm Friday Rehearsal (6:00pm-7:00pm).

Rehearsals and weddings **START ON TIME.**

A maximum of one hour is allotted for rehearsals. Come prepared to your rehearsal. The rehearsal is not a time for decision-making but a time for planning logistics and coordination. It allows members of the immediate wedding party to become familiar with the environment of our chapel and with the public roles they will assume as part of the liturgy. The Chapel Coordinator directs the rehearsal and gives a brief overview of the liturgy to help all concerned understand the prayerful nature of the celebration. We ask that you require that all members of the wedding party be present for the rehearsal and that they arrive on time.

Please be aware that musicians are not present for the wedding rehearsal.

Each wedding is allotted 90 minutes from the scheduled start time for the wedding, including the last wedding of the day. Therefore, IT IS VERY IMPORTANT THAT THE WEDDING BEGIN PROMPTLY to allow sufficient time to celebrate the service which you will have carefully planned. Weddings that start late risk losing time for picture taking. Receiving lines are not permitted following the wedding in order to allow ample time for picture taking. Keep in mind that numerous wedding rehearsals and weddings are scheduled on a single day and the chapel is in great demand for other events.

You may arrive up to 30 minutes prior to your scheduled start.

Musicians and staff often have more than one commitment during the day. Please be respectful of their schedules. Weddings that start late risk losing musicians during the ceremony.

If members of the bridal party or family are late, it may be deemed necessary that the rehearsal or wedding begin without them. Please allow for city traffic and travel to and from the chapel.

MUSIC

Music for weddings should be planned jointly by the couple utilizing the Loyola University wedding music website, in consultation with the Director of Music of Madonna della Strada Chapel. Remember that the Sacrament of Marriage is a liturgical celebration. Therefore, one of the basic principles that should underlie your selection of music is whether the music is indeed liturgical music. Popular songs and secular music, no matter how meaningful they may be, have no place in the liturgy. They may be appropriately performed at your wedding reception. For the wedding liturgy you'll want to ensure the emphasis on sacred music, which derives its context from scriptural and liturgical sources, and by its very nature enhances your union within the liturgical rites being celebrated.

The Madonna della Strada Chapel Director of Music serves as organist and/or principal musician at all weddings. As principal musician for the wedding, the Director of Music is entrusted with the responsibility of determining the suitability of musical selections within the context of the Roman Catholic wedding liturgy, and must approve all music and musicians chosen for the ceremony. The Director of Music also bears the essential responsibility of ensuring the proper performance and timing of the various musical portions of the wedding liturgy. The fee for the Director of Music is included in your wedding fee.

The Cantor (singer) fee is included in your wedding fees as well. Our cantors are on the voice faculty at Loyola as well as auditioned members of the Chicago musical community. This guarantees that your wedding will go smoothly because cantor, organist and instrumentalists are accustomed to working with each other as well as with the specific acoustical demands of the liturgical space.

Instrumentalists (trumpet, violin, oboe, flute, harp, trio, quartet, etc.) may be used upon approval of, and arrangement with, the Director of Music at Madonna della Strada. Please contact the Director of Music before making any instrumentalist arrangements.

* Musicians are not present at the rehearsal the day before your wedding.

* Guest and visiting singers are not allowed and members of the wedding party may not perform dual roles as musicians.

* Recorded musical accompaniment and/or recorded music is not allowed.

Couples are required to consult with the Director of Music before making any musical plans or arrangements. Our music director is Steven Betancourt, and he can be contacted at sbetancourt@luc.edu or 773.508.2195.

NON-CATHOLIC MINISTERS

Weddings held at Madonna della Strada are celebrated according to the worship books of the Roman Catholic Church: the Roman Missal, the Lectionary and The Rite of Marriage. Ministers of other denominations may assist in limited roles during the ceremony. This requires consultation with your presiding priest or deacon.

READINGS

The readings for your wedding can be reviewed and selected using our Wedding web site. In consultation with the priest who will preside at the wedding, the engaged couple will select two or three passages from scripture. Non-scriptural passages are never used in place of the scriptures. *Poems or other non-scriptural passages are also not permitted anywhere in the wedding liturgy.*

WEDDING VOWS

Wedding vows are provided in the wedding liturgy and you may select one of two options when you consult with your priest. The usage of vows from other sources or vows written by the bride and groom are not permitted in the Catholic Wedding Liturgy. Marriages using vows from other sources are considered not valid in the Catholic Church.

UNITY CANDLE

Though not an official part of the Catholic marriage rite, some couples wish to light a candle during the ceremony symbolizing their unity. Please be sure to discuss this with your priest and with the music director. Unity Candles must be placed on the stand provided. Candles are not permitted on the altar.

CHAPEL COORDINATOR

The chapel coordinator will run the rehearsal and assist on the day of the wedding to provide for the needs of the bride and groom, their attendants and families, and to assure security. The coordinator will assist in making the ceremony run smoothly and with elegance. It is the chapel coordinator's responsibility to oversee photographers and florists in proper procedures and in conformity with their respective guidelines as outlined below. The chapel coordinator is present 45 minutes before each ceremony. No other outside wedding coordinator has any authority in the chapel and must yield all questions to the Chapel Coordinator. Any questions regarding the use of the chapel should be directed to the chapel coordinator and not to the priest or deacon.

CHAPEL SACRISTAN

A sacristan will be available on the day of the wedding to support the priest and ministers. The sacristan will prepare all vessels, vestments, linens and other items needed for the celebration of the liturgy. The sacristan may also assist as an acolyte if the priest or deacon would like assistance.

Rite of Marriage

The bride and groom may choose one of two options for the Rite of Marriage:

- A) Bride and groom stand at the foot of the altar facing one another. The presiding priest or deacon stands facing the congregation on the step above the bride and groom.
- B) Bride and groom stand at the top step of the sanctuary facing each other and the congregation. The presiding priest or deacon stands on the same level as the congregation, facing the bride and groom.

With either option, the bride and groom may choose to have the wedding party stand with them.

Prayers of the Faithful

The bride and groom should choose the Prayers of the Faithful in consultation with their presiding priest or deacon. The bride and groom choose family members or friends to read them. Copies of the Intercessions will be available at the rehearsal. The bride and groom may choose to add appropriate prayers in consultation with their presiding priest or deacon.

Presentation of the Bread and Wine

The chapel coordinator and sacristan will assist with communion if no family members are able to assist.

[Dedication to the Virgin Mary]
