Convention Information

Appropriate Conduct at the MMLA Convention

The MMLA Convention depends upon all participants (panelists, attendees, staff) conducting themselves in a professional manner. We are committed to ensuring a safe, welcoming, non-discriminatory environment for all participants. Additional details can be found on our member portal at <https://mmla.memberclicks.net/health-safety>.

Registration Desk

The MMLA's Registration Desk will be located on the third floor of the hotel in the Ballroom Foyer and open on Thursday from 4:00 to 5:00 pm and Friday/Saturday from 8:00 am – 5:00 pm. Staff members will be rotating through the convention to check all sessions and would be happy to help answer any questions.

Membership and convention fees can be paid online at <https://mmla.memberclicks.net/>. Please Note: We are unable to accept credit cards, cash, or checks on site.

Location of Meeting Rooms

For all meetings and events, please refer to the locations listed in the third column of the “Programs of Sessions” listed on pages 12-43. Floor plans for the hotel are provided on pages 10-11.

Zoom Events

The format of the 2023 MMLA Convention is a “sequential hybrid” of virtual and in-person sessions, which means that a Thursday consisting entirely of virtual sessions is followed by a Friday and Saturday consisting entirely of sessions meeting in person in Cincinnati, Ohio.

The virtual Thursday sessions are taking place on the Zoom Events platform, and access to that platform's “lobby” area, from which attendees may enter all of Thursday's virtual sessions, is provided by a “ticket.” Each person who registered for the 2023 MMLA convention was emailed a ticket by Zoom Events. These tickets were sent to the email address used when attendees became MMLA members and registered for the convention via the MMLA's member portal, <https://mmla.memberclicks.net/>.

Please check the inbox of that email account to locate your ticket, which you may then use (by clicking the “Join” button on the ticket) to enter the Zoom Events lobby area and, from there, attend these virtual Thursday sessions of the 2023 MMLA Convention.

General Panel Structure

For MMLA's 2023 Convention, panels with four presenters have been scheduled for hour-and-a-half sessions, which allots each panelist up to fifteen minutes to present their work before a thirty-minute, collective Q&A. Panels with three or two presenters are scheduled for hour-and-fifteen-minute sessions, providing each panelist fifteen minutes (or, in the case of the latter, twenty minutes) to present their work before the collective Q&A portion.

Professionalizing Sessions

Presenters will discuss their own experience and what they have found particularly helpful along the way. Sessions are usually an hour and fifteen minutes long, permitting each presenter to speak before addressing questions from the audience for the remainder of the time.

Associated Organizations

Because of shared disciplinary interests, MMLA annually provides time and meeting space during its convention for the meeting of other organizations referred to in the program as “Associated Organizations.” These meetings are open to all who are registered for the MMLA Convention and display an identification badge.

Child Care

Please contact the hotel who can answer questions about child-care services and locations for nursing.

Americans with Disabilities Act

Every effort will be made to accommodate registrants with ADA-related needs.

Proposing Sessions for MMLA 2024

Any MMLA member may propose a topic for a special session at the 2024 Annual Convention by emailing us at mmla@luc.edu. The deadline for submission of special session topics or call for papers for the 2024 Annual Convention is February 15, 2024.

In making its selection, the MMLA Program Committee will take the following into account: thoroughness of proposal, originality of contribution, and balance and diversity of the total Annual Convention program. Certainly, any session concerning online teaching should offer some nuts and bolts of effective teaching in this mode, and this session will do just that; however, we will also discuss the psychology of online learning, both the instructor's and the student's—in fact, these concerns are all related. We'll begin when teaching online is first broached by the administration to faculty to the deliverables and student interaction, which are the life's blood of teaching online. Come with questions, concerns, and even complaints! Let's have a conversation about teaching online.
