

The Mission Integration Office invites you to:

Ignatian Heritage Month Book Club

From the day Paul Mariani arrives at Eastern Point Retreat House to take part in the five-hundred-year-old Spiritual Exercises of St. Ignatius, he realizes that his expectations and assumptions about who he is, what he knows, and what he believes are about to change radically. In this profound memoir, Mariani blends a brief life of St Ignatius and meditations on the life of Jesus with the day-to-day unfolding of thirty days of silence at the retreat house.
