

Ignatian Prayer Experiences

Fr. Robert Braunreuther, S.J.

The Examination of Consciousness

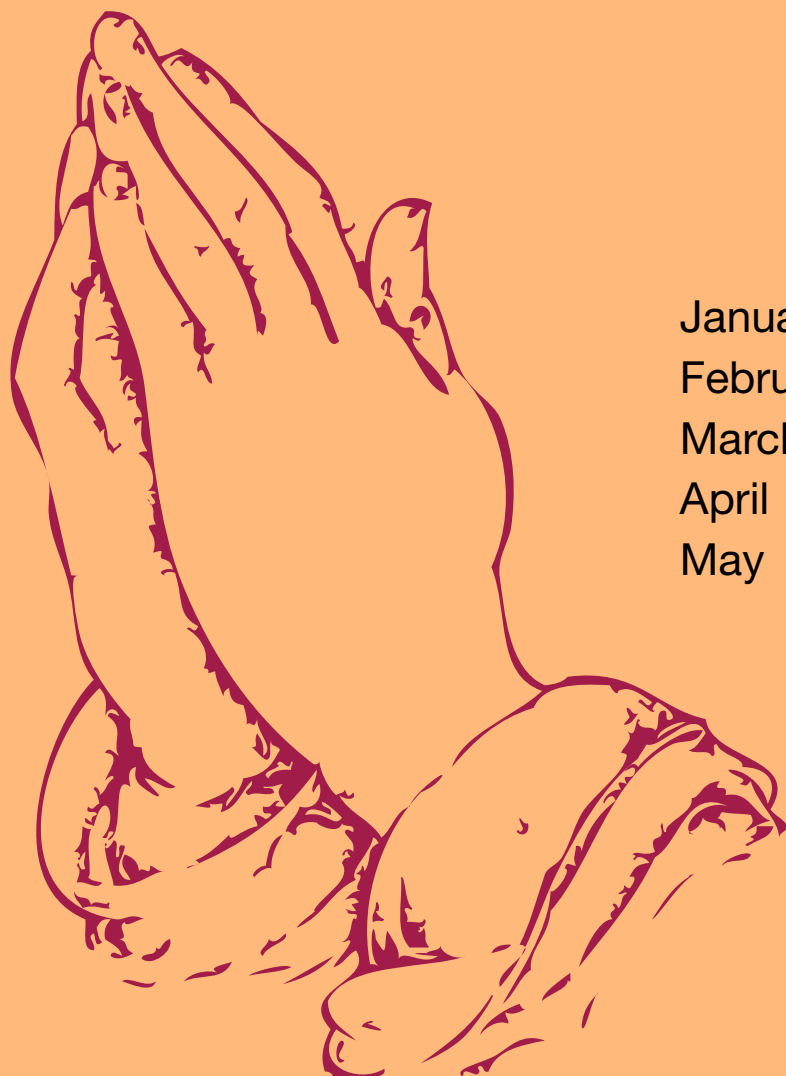

The "First," "Second" and "Third" Methods of Prayer

Meditation and Contemplation

Application of the Senses, and Contemplating the Love of God

These monthly hour-long sessions over a brown-bag lunch will engage in Ignatian methods of prayer.

For those seeking to expand their experiences of prayer or those desiring some time for prayer and reflection, each session stands alone so one can attend one session or all.
