

Self-Guided Lenten Prayer Experience

Love: A Guide for Prayer

Are you looking for a way to enter into Lent in a deliberate, prayerful way?

Would you like to spend time coming to understand better God's love for you and your love for God?

Participants will engage in a six-week long prayer experience using the book *Love: A Guide for Prayer*. While the process is an individual one, there will be two optional group gatherings: a welcome/intro brown bag and closing group reflection with a simple meal provided.

To register to receive *Love: A Guide for Prayer* contact Laura Bartosik at MissionandIdentity@luc.edu
