-

LINKEDIN: LinkedIn can be a powerful tool in your internship/job search. Take some time to develop your page and make new connections – it's never too early to start developing your professional profile. LinkedIn has recently added a "Student Job Portal" which allows you to search for jobs and research companies.

ORGANIZATIONAL & NON-PROFIT WEBSITES: Often political organizations and non-profits post when they are looking for interns or volunteers. If there is an organization you are passionate about or interested in working for, check out their webpage to see if they have any opportunities to get involved.
