How quickly can I finish my degree?
You can finish your BSN degree at Loyola in as little as one year.

How much credit can I transfer?
Loyola can accept 66 credits from into the RN-BSN program. From this 66 credits, up to 36 general education credits and up to 30 nursing credits are accepted. RN-BSN students must complete a minimum of 30 credits at Loyola.

Will I have any Core left?
This will depend on the coursework you have completed prior to admission to the RN-BSN program. For a transcript evaluation, please contact gradinfo@luc.edu or 312-915-8900.

Besides Core, what other requirements do I need?
• Nursing courses: Eight nursing courses are required in the RN-BSN program
• Portfolio: The professional nursing portfolio is an opportunity for RN-BSN students to earn academic credit for demonstrating their professional development as a nurse. Up to 25 credits can be accepted.
• In total, students must complete 120 credits to earn a degree at Loyola.

Is the program 100% online?
Yes! This program was created specifically to accommodate busy nursing schedules and give those outside the geographical area an opportunity at a high quality education.

When are classes taught?
• Classes are taught in an asynchronous format, meaning you will not be required to be online on a specific day or time
• Classes are taught in fall, spring, and summer semesters
• Classes are taught over 6-8 weeks
