

Unidos: Inclusivity for a Stronger Nation How Latinos/as Shape America (and Trinity Health) Today Celebrating Hispanic Heritage Month

Week of October 10, 2022
Vol. 5

La Celebración Continua (The Celebration Continues)

Thank you for celebrating Hispanic Heritage Month with us and joining us on this journey. Together, we explored subject matters and challenges facing the Hispanic communities with the headlines Latinos by The Numbers, Representation, Access and Coverage, Health Equity, and Cultural Proficiency. To read previous volumes, please follow our Diversity, Equity, and Inclusion community on Yammer!

Although Hispanic Heritage Month is celebrated from September 15 to October 15 each year, let's all celebrate each other and our community's heritage daily as we continue being a transforming and healing presence in our communities.
