MISSION OF LOYOLA

We are Chicago’s Jesuit Catholic University: a diverse community seeking God in all things and working to expand knowledge in the service of humanity through learning, justice, and faith.
DISCUSS

What does community mean to you?

What communities were you involved in before coming to Loyola?

What was positive about these communities?

How might you find and create community at Loyola?
EXPANDING KNOWLEDGE THROUGH EXPERIENCE
REFLECT

Bring to mind three places or situations where you can reflect on your life.

Think about a relationship or experience that has challenged you, or, an experience that has had a positive impact on your life.

How do you honor or celebrate key moments in your life when times are: challenging, amazing, painful, or beautiful?
SERVICE FOR JUSTICE
DISCUSS

If you have done service, what were the bigger issues behind the service? Is there a connection between the bigger issues and what you might study?

If you have not done service, are there bigger issues that are interesting to you? How might those be connected to what you want to study?

Is there a particular type of service you’d like to do when you get to Loyola?
