*Other Sponsored Activity includes programs and projects that involve the performance of work other than organized research or instruction (e.g., community service, public outreach, conferences, and seminars) or for activities where there is no training of students, data collection, or evaluation of any kind.

Reduction or Waiver of F&A Rates:
Requests to either reduce or waive our F&A rates must be preapproved by Dr. Meharvan Singh, Vice Provost for Research. Be mindful that reductions/waivers of F&A result in cost sharing, which negatively impacts our future F&A rates. F&A is used to help cover our operating costs (staff salary, utilities, building maintenance, etc.), so it is important that we recover all we can.
