Fulfill Your Tier 2 Requirement

In order to graduate, all Loyola students must take a Tier 2 Philosophical Knowledge course. Fall 2019 is a great time to fulfill this requirement while pursuing a topic you find fascinating. Build on the knowledge you gained in PHIL 130, choose a course that suits your major, or try something new and exciting! Many of our Tier 2 courses are also writing intensive.

No matter your goals and interests, the Philosophy Department has a lot to offer.

**FOR MORE INFORMATION CONTACT:
