

**CURRICULUM VITAE**

10/4/2017

**PERSONAL INFORMATION**

Name: Grayson N. Holmbeck, Ph.D.  
Home: 225 N. Elmwood Ave.  
Oak Park, IL 60302  
H: 708-445-0716  
C: 773-655-3529  
Office: Loyola University Chicago  
Department of Psychology, Coffey Hall 304  
1032 W. Sheridan Road  
Chicago, IL 60660  
W: 773-508-2967  
Fax: 773-508-8713  
e-mail: gholmbe@luc.edu

**EDUCATION**

Virginia Commonwealth University  
Department of Psychology  
Richmond, Virginia

Ph.D. Clinical Psychology, APA-Approved, Child Track (December, 1987),  
Dissertation Chair: John P. Hill, Ph.D.

M.S. Clinical Psychology (August, 1984),  
Thesis Chair: John P. Hill, Ph.D.

Brown University  
Department of Psychology  
Providence, Rhode Island

B.S. Psychology (with Honors Thesis; June, 1980),  
Honors Thesis Chair: Peter D. Eimas, Ph.D.

**ACADEMIC APPOINTMENTS**

Professor, Clinical Psychology, Department of Psychology, Loyola University Chicago (2000-present)  
Director of Clinical Training, Department of Psychology (Clinical Psychology), Loyola University Chicago,  
(2002-present)  
Associate Professor, Clinical Psychology, Department of Psychology, Loyola University Chicago (1993-  
2000)

Assistant Professor, Clinical Psychology, Department of Psychology, Loyola University Chicago (1988-1993)

Assistant Professor, Division of Clinical Psychology, Temple University, Philadelphia, PA (1987-1988)

## AWARDS AND HONORS

- Hayes Award for Advising and Mentoring, Faculty Center for Ignatian Pedagogy (Loyola University Chicago, 2014)
- Martin P. Levin Mentorship Award, Society of Pediatric Psychology, Division 54 (American Psychological Association, 2009)
- Outstanding Health Care Achievement Award (Spina Bifida Association, 2007)
- Logan Wright Distinguished Research Award, Society of Pediatric Psychology, Division 54 (American Psychological Association; 2005)
- Loyola Faculty Scholar (2003)
- Loyola Faculty Mentor (2003)
- Graduate Faculty Member of the Year (Loyola University of Chicago, 1999)
- Hershel Thornburg Dissertation Award (Society for Research on Adolescence; Alexandria, Virginia, March, 1988)
- Graduate School Research Fellowship (1984-1985)
- Graduate Teaching Assistantships (1983-1984; 1985-1986)
- NIMH Traineeship (1982-1983)
- Sigma Xi (The Scientific Research Society, 1980)

## EDITORIAL ACTIVITIES

Editor, *Journal of Pediatric Psychology* (2013-2017)  
Associate Editor, *Journal of Pediatric Psychology* (2002-2011)  
Associate Editor, *Journal of Consulting and Clinical Psychology* (1998-2002)

Editorial Board, *Clinical Practice in Pediatric Psychology* (2013-)  
Editorial Board, *Health Psychology* (2010-)  
Editorial Board, *Journal of Family Psychology* (2005-2012)  
Editorial Board, *Journal of Consulting and Clinical Psychology* (1992-1997; 2004-2013)  
Editorial Board, *Journal of Pediatric Psychology* (1999-2001, 2018-)  
Editorial Board, *Journal of Research on Adolescence* (1993-2000)  
Editorial Board, *Psychological Bulletin* (1992-1994)  
Editorial Board, *Journal of Adolescent Research* (1990-1994)  
Editorial Board, *Journal of Early Adolescence* (1990-1994)  
Editorial Board, *Child Development* (1989-2001)

Ad-hoc Reviewer: *Children's Health Care, Developmental Psychology, Development and Psychopathology, Journal of Adolescence, Journal of Clinical Child and Adolescent Psychology, Journal of Counseling Psychology, Journal of Research in Personality, Monographs of the Society for Research on Child Development, Pediatrics, Psychological Assessment, Journal of Applied Developmental Psychology*

**EXTRAMURAL RESEARCH GRANTS (Funded)**

- Field Director: "Stress, Coping, and Emotional Well-Being in Adolescence," **NIMH** (MH38824, \$499,433); PI: Reed Larson, Ph.D., & Maryse Richards, Ph.D. (1988-1993).
- PI: "Family Relationships and Psychosocial Adjustment in Young Adolescents with Myelomeningocele (Spina Bifida)," **March of Dimes**; Social and Behavioral Sciences Research Program (#FY93-0621, \$49,533) (1993-1995).
- Co-I: "Family and Mental Health Factors in Adolescent HIV Risk," **NIMH** (R01 MH50423, \$2,507,491); PI: Roberta Paikoff, Ph.D.; Co-I: Jeanne Brooks-Gunn, Ph.D. (1993-1998) (Loyola budget: \$294,854)
- Consultant: "Family Based Intervention to Prevent Adolescent HIV Risk," **NIMH** (R01 MH55701, \$2,717,776); PI: Roberta Paikoff, Ph.D. (1995-2000).
- PI: "Family Relationships and Psychosocial Adjustment in Young Adolescents with Myelomeningocele (Spina Bifida)," **March of Dimes**; Social and Behavioral Sciences Research Program (#FY95-0496, \$49,768) (1995-1997).
- PI: "Family Relationships and Psychosocial Adjustment in Adolescents with Spinal Cord Injury," **The American Association of Spinal Cord Injury Psychologists and Social Workers** (#274; \$30,293); Co-Principal Investigator: Sharon Z. Johnson; (1996-1997).
- PI: "Family Relationships and Psychosocial Adjustment in Young Adolescents with Myelomeningocele (Spina Bifida)," **March of Dimes**; Social and Behavioral Sciences Research Program (\$57,612; 1997-1999).
- PI: "Family Relationships and Psychosocial Adjustment in Adolescents with Myelomeningocele (Spina Bifida)," **March of Dimes**; Social and Behavioral Sciences Research Program (\$73,500; 1999-2001).
- Co-I: "Family & Mental Health in HIV Risk: Adolescent Follow-Up," **NIMH** (R01 MH50423; \$2,508,721); PI: Roberta Paikoff, Ph.D. (1999-2004) (Loyola budget: \$388,544)
- PI: "Family Relationships and Psychosocial Adjustment in Adolescents with Myelomeningocele (Spina Bifida)," **March of Dimes**; Social and Behavioral Sciences Research Program (\$160,482; 2001-2005).
- Co-I: "Family Management of Childhood Diabetes (Type I)," **NICHD** (N01-HD-4-3363; \$1,265,342); PI: Jill Weissberg-Benchell, PhD (2003-2009) (Loyola budget: \$205,197)
- PI: "Psychosocial Adjustment in Children and Young Adolescents with Spina Bifida: Family, Peer, and Neuropsychological Factors," **March of Dimes**; Social and Behavioral Sciences Research Program (\$209,262; 2004-2007)
- PI: "Psychosocial Adjustment in Adolescents with Spina Bifida," **NICHD**; (R01 HD048629-01; \$1,830,722; 2005-2011)
- Consultant: "Self-management of Type 1 Diabetes during Adolescence," **NIDDK**; (R01 DK069486-01;

2006-2011; PI = Dennis Drotar, PhD)

Consultant: "Adolescent Outcomes of <1000 gram Birth Weight Children," **NICHD**; (2 R01 HD039756-05; 2006-2010; PI = Maureen Hack, MD)

PI: "A Camp-Based Intervention Targeting Independence Among Children, Adolescents, and Young Adults with Spina Bifida" **Spastic Paralysis Research Foundation: Illinois-Eastern Iowa District of Kiwanis International**; \$100,000; 2008-2012

PI: "A Camp-Based Intervention Targeting Independence Among Children, Adolescents, and Young Adults with Spina Bifida" **Spastic Paralysis Research Foundation: Illinois-Eastern Iowa District of Kiwanis International**; \$100,000; 2013-2017

PI: "Longitudinal Follow-up of Psychosocial Adjustment in Children and Young Adolescents with Spina Bifida: Family, Peer, and Neuropsychological Factors," **March of Dimes**; Social and Behavioral Sciences Research Program (\$190,000; 2013-2016)

Consultant: "Family processes in developmental outcomes of pediatric hearing loss" **NIDCD** (R01 DC014956; PIs: Holt & Pisoni) Total Direct Costs: \$2,554,843; Dates: 8/1/16-7/31/21.

PI: "Self-Management in Adolescents and Young Adults with Spina Bifida." **NINR/NICHD**; (R01NR016235-01; \$1,777,955; 2016-2021)

PI: "A Camp-Based Intervention Targeting Independence Among Children, Adolescents, and Young Adults with Spina Bifida" **Spastic Paralysis Research Foundation: Illinois-Eastern Iowa District of Kiwanis International**; \$100,000; 2017-2022

## STUDENT-INITIATED EXTRAMURAL RESEARCH GRANTS

Murray, C. "Sleep-wake disturbances and physical and psychological health in adolescents with spina bifida" F31HD079270-01A1: **Ruth L. Kirschstein National Research Service Award (NRSA) for Individual Predoctoral Fellows. (Funded June 2014- May 2016)**

## CLINICAL EXPERIENCE

Psychology Intern: 1986-1987; Children's Memorial Hospital, Clinical-Child Psychology/Pediatric Psychology, Department of Child Psychiatry/Medical Psychology, Chicago, Illinois.

Psychology Extern: 1984-1985; Medical College of Virginia; Adolescent Health Services/Department of Pediatrics, Richmond, VA.

Psychology Extern: 1983-1984; Virginia Commonwealth University, Psychological Services Center, Richmond, VA.

Family Educator: (1981-1982), Maryville Academy, Des Plaines, IL

Mental Health Worker: (1980-1981), Westwood Lodge Hospital, Westwood Massachusetts.

Child Care Volunteer: (1978-1980), Bradley Hospital, Providence, RI.

## INTRAMURAL GRANTS--AWARDED

- PI: "Developmental Factors in Adolescent Psychopathology," Research Incentive Fund, Temple University, Research Programs and Policies Committee (\$5,000) (#700-950-93; 1988-1989).
- PI: "Developmental Factors in Adolescent Psychopathology", Grant-in-Aid of Research, Temple University, Faculty Senate Research and Study Leaves Committee (\$2,000) (#14-1811-005; 1988-1989).
- PI: "Developmental Factors, Family Functioning, and Psychosocial Adjustment in Adolescents with Myelomeningocele (MM; Spina Bifida)", Research Support Grant, Loyola University Chicago,

Research Services Awards Committee (\$1,000) (#333-01; 1989).

PI: "Developmental Factors, Family Functioning, and Psychosocial Adjustment in Nondistressed Adolescents and Adolescents with Myelomeningocele (Spina Bifida)", Summer Stipend Award, Loyola University Chicago, Research Services Awards Committee (\$5,500) (1991).

Co-I: "Integrating Multicultural Issues into the Curricula and Research: A Model for Higher Education," Special Events Funding, Loyola University Chicago (Funded) (1991-1992).

PI: "Family Relationships and Adjustment during the Transition to College," Research Support Grant, Loyola University Chicago, Research Services Awards Committee (\$1,200) (#333-63; 1992).

PI: "Family Relationships and Psychosocial Adjustment in Young Adolescents with Myelomeningocele (Spina Bifida)", Research Support Grant, Loyola University Chicago, Research Services Awards Committee (\$1,200) (#333-15; 1994).

Paid Research Leave: Spring, 1995.

PI: "Longitudinal Study of Family Relationships and Adjustment during the Transition to College," Research Support Grant, Loyola University Chicago, Research Services Awards Committee (\$1,200) (#333-96-226; 1995).

Paid Research Leave: Spring, 1998.

Co-I: "The Effects of Risk Status on Long-Term Cognitive, Social, and Medical Outcome," Internal Research Awards Program: Research Support Grants for Issues of the Child (\$5000) (1998).

Paid Research Leave: Spring, 2009.

## PRESENTED PAPERS

Holmbeck, G. N. (1980, April). *Are selective adaptation and contrast effects in speech perception research quantitatively or qualitatively different?* Paper presented at the Mount Holyoke Undergraduate Research Conference, Mount Holyoke College, South Hadley, MA.

Hill, J. P., Holmbeck, G. N., Marlow, L., Green, T. M., & Lynch, M. E. (1983, October). *Menarcheal status and parent-child relations in families of seventh-grade girls.* Paper presented at the Society for Research in Child Development's Study Group on Maturational Status and Psychological Functioning, Educational Testing Service, Princeton, NJ.

Hill, J. P., Holmbeck, G. N., Marlow, L., Green, T. M., & Lynch, M. E. (1983, November). *Pubertal status and family interactions.* Paper presented at the second annual Virginia Forum for Developmental Research, Richmond, VA.

Holmbeck, G. N., & Bale, P. L. (1984, March). *Masculinity and femininity as predictors of behavioral self-*

*report*. Paper presented at the meeting of the Southeastern Psychological Association, New Orleans, LA.

- Hill, J. P., Holmbeck, G. N., & Cantara, A. C. (1984, May). *Familial adaptation to menarche in seventh-grade girls*. Paper presented at the conference: Biological Interactions in Early Adolescence: A Life-Span Perspective. Pennsylvania State University, College of Human Development, University Park, PA.
- Holmbeck, G. N. (1985, March). *Relations between parental and early adolescent instrumental and expressive expectations*. Paper presented at the meeting of the Southeastern Psychological Association, Atlanta, GA.
- Bush, J. P., & Holmbeck, G. N. (1985, April). *Development of an instrument to measure children's attitudes about health care*. Paper presented at the meeting of the Virginia Psychological Association, Charlottesville, VA.
- Holmbeck, G. N., Silberg, J., & Bado, K. (1985, April). *Changing homophobic attitudes with an educational film*. Paper presented at the meeting of the Virginia Psychological Association, Charlottesville, VA.
- Hill, J. P., & Holmbeck, G. N. (1985, April). Familial adaptation to pubertal change: The role of conflict. In W. A. Collins (Chair), *Parent-child relations in the transition to adolescence: Familial adaptations to pubertal change*. Symposium conducted at the meeting of the Society for Research in Child Development, Toronto, Canada.
- Hill, J. P., & Holmbeck, G. N. (1986, March). The role of conflict in the adaptation to pubertal change: A research proposal. In S. T. Hauser (Chair), *Family relations during adolescence*. Pre-conference workshop at the meeting of the Society for Research on Adolescence, Madison, WI.
- Holmbeck, G. N., & Hill, J. P. (1986, March). *Beliefs in storm and stress notions of adolescence: Prevalence and developmental antecedents*. Paper presented at the meetings of the Society for Research on Adolescence, Madison, WI.
- Bush, J. P., & Holmbeck, G. N. (1986, August). *Children's attitudes about health care: Age trends and pain expectations*. Paper presented at the 94th annual convention of the American Psychological Association, Washington, D.C.
- Holmbeck, G. N., Waters, K. A., & Brookman, R. R. (1986, August). *Psychosocial correlates of sexually-transmitted diseases in black adolescent females*. Paper presented at the 94th annual convention of the American Psychological Association, Washington, D.C.
- Holmbeck, G. N., & Hill, J. P. (1987, April). *Rule behavior and pubertal status in families with seventh-graders*. Paper presented at the meetings of the Society for Research in Child Development, Baltimore, MD.
- Holmbeck, G. N., Natta, M., Kupst, M. J., Pines, R., & Schulman, J. (1987, August). *Sequences of therapist-child interactions on an inpatient child psychiatry unit*. Paper presented at the 95th annual convention of the American Psychological Association, New York, NY.
- Schulman, J., Kupst, M. J., Natta, M., & Holmbeck, G. N. (1987, October). *Objective evaluation of milieu therapy*. Paper presented at the meetings

of the American Academy of Child and Adolescent Psychiatry, Washington, D.C.

- Wills, K. E., Holmbeck, G. N., Dillon, K., & McLone, D. (1987, October). *Verbal, visuospatial, and academic performance in children with myelomeningocele (spina bifida)*. Paper presented at the meetings of the National Academy of Neuropsychology, Chicago, IL.
- Wills, K. E., Holmbeck, G. N., Barthel, M., Hahn, Y. S., & Hays, E. (1987, October). *Developmental evaluation of head-injured infants*. Presented at the Braintree Head Injury Conference, Braintree, MA.
- Holmbeck, G. N. (1988, March). From graduate student to faculty member: A change in roles. In C. L. Miller (Chair), *Entering your career: Finding and adjusting to a new job*. Symposium conducted at the second biennial meetings of the Society for Research on Adolescence, Alexandria, Virginia.
- Holmbeck, G. N., & Papini, D. R. (Co-Chairs). (1988, March). *Advances in research on parent-adolescent conflict*. Symposium conducted at the second biennial meetings of the Society for Research on Adolescence, Alexandria, Virginia.
- Holmbeck, G. N. (1988, March). The role of familial conflict in adaptation to menarche: Sequential analysis of family interaction. In G. N. Holmbeck, & D. R. Papini (Co-Chairs), *Advances in research on parent-adolescent conflict*. Symposium conducted at the second biennial meetings of the Society for Research on Adolescence, Alexandria, Virginia.
- Kendall, P. C., & Holmbeck, G. N. (1988, November). *Social and cognitive factors in child and adolescent psychotherapy*. Clinical roundtable presented at the meetings of the Association for the Advancement of Behavior Therapy, New York, NY.
- Bush, J. P., Holmbeck, G. N., & Cockrell, J. L. (1989, March). *Postsurgical pain management in children: Influences on PRN analgesic administration patterns*. Paper presented at the meetings of the Society of Behavioral Medicine, San Francisco, CA.
- Holmbeck, G. N., Gasiewski, E., & Crossman, R. (1989, April). *Cognitive development, egocentrism, and adolescent contraceptive knowledge, attitudes, and behavior*. Paper presented at the meetings of the Society for Research in Child Development, Kansas City, MO.
- Holmbeck, G. N. (1989, April). *Family relations, cognitions, and adjustment during home-leaving in late adolescence*. Paper presented at the meetings of the Society for Research in Child Development, Kansas City, MO.
- Sessa, F. M., & Holmbeck, G. N. (1989, August). *Family factors in adolescent ego identity development*. Paper presented at the meetings of the American Psychological Association, New Orleans, LA.
- Holmbeck, G. N., & O'Donnell, K. (1990, March). Discrepancies between maternal and adolescent perceptions of decision-making and desired behavioral autonomy: Longitudinal effects on family functioning and adolescent adjustment. In R. Montemayor (Chair), *Shared constructions of the family: Individual variation and implications for development*. Symposium conducted at the third biennial meetings of the Society for Research on Adolescence, Atlanta, GA.
- Holmbeck, G. N. (Chair) (1990, March). *Student meeting on fund-raising opportunities*. Conversation hour conducted at the third biennial meetings of the Society for Research on Adolescence, Atlanta, GA.

- Chrenka, R. A., Holmbeck, G. N., Kaspar, J., & Cleland, J. (1990, August). *Family cohesion in distressed and non-distressed urban families*. Paper presented at the meetings of the American Psychological Association, Boston, MA.
- Holmbeck, G. N., Wills, K. E., & Faier-Routman, J. (1990, November). *Developmental factors, family functioning, and psychosocial adjustment in adolescents with myelomeningocele (MM; Spina Bifida)*. Paper presented at the Third International Symposium on Spina Bifida, Chicago, IL.
- Holmbeck, G. N. (1991, April). The interface between developmental psychology and child-clinical psychology during adolescence. In J. deWit (Chair), *Developmental perspective in intervention in child psychopathology*. Discussion/debate at the meetings of the Society for Research in Child Development, Seattle, WA.
- Wittstock, C. A., Bradley, T., Garate, J., & Holmbeck, G. N. (1991, May). *The Loyola University Chicago Psi Chi Chapter*. Paper presented at the meetings of the Midwestern Psychological Association, Chicago, IL.
- Holmbeck, G. N. (1992, March). *Clinical-developmental interface: Implications of developmental research for treatment of adolescents*. Paper presented at the biennial meetings of the Society for Research on Adolescence, Washington, DC.
- Holmbeck, G. N. (1992, March). Autonomy and psychosocial adjustment in adolescents with and without spina bifida. In L. E. Burke (Chair), *Adolescent autonomy: Is it all it's cracked up to be?* Symposium presented at the biennial meetings of the Society for Research on Adolescence, Washington, DC.
- Holmbeck, G. N. (1992, April). *Developmental factors, family functioning, and psychosocial adjustment in adolescents with myelomeningocele (MM)*. Paper presented at the sixteenth annual Myelomeningocele Seminar, Chicago, IL.
- Wandrei, M., Richards, M., & Holmbeck, G. N. (1992, August). *Nontraditional career expectations of female adolescents: A path-analytic approach*. Paper presented at the annual meetings of the American Psychological Association, Washington, DC.
- Holmbeck, G. N. (1993, March). *Adolescence and family relationships: A developmental perspective*. Meet the Professor Luncheon at the meetings of the Society for Adolescent Medicine, Chicago, IL.
- Holmbeck, G. N. (Chair). (1993, March). *Family relationships and psychosocial development in physically-impaired and chronically-ill adolescents*. Symposium presented at the meetings of the Society for Research in Child Development, New Orleans, LA.
- Holmbeck, G. N. (1993, March). A longitudinal study of family relationships, pubertal development, and adjustment in young adolescents with spina bifida. In G. N. Holmbeck (Chair), *Family relationships and psychosocial development in physically-impaired and chronically-ill adolescents*. Symposium presented at the meetings of the Society for Research in Child Development, New Orleans, LA.
- Holmbeck, G. N. (1993, March). Discussant. In S. T. Hauser, & J. P. Allen (Co-Chairs), *From conceiving to coding contexts of adolescent development: Theoretical scaffolding of family interaction coding systems*. Symposium presented at the meetings of the Society for Research in Child Development, New Orleans, LA.

- Beebe, D. W., & Holmbeck, G. N. (1993, August). *Level of cognition and binge eating: A laboratory analysis*. Paper presented at the meetings of the American Psychological Association, Toronto, Canada.
- Holmbeck, G. N., & Fuhrman, T. (1994, February). A contextual analysis of emotional autonomy and adjustment in adolescence. In J. Allen (Chair), *Autonomy and family relationships during adolescence*. Symposium presented at the meetings of the Society for Research on Adolescence, San Diego, CA.
- Beebe, D. W., Holmbeck, G. N., DeCastro, B., & Noga, K. (1994, May). *Identification of 'binge-prone' women: A cluster analytic study*. Paper presented at the meetings of the Midwest Psychological Association, Chicago, IL.
- Paikoff, R. L., Parfenoff, S. H., Brooks-Gunn, J., Holmbeck, G. N., & Jarrett, R. L. (1994, July). *The role of individual and family development in preventing exposure to HIV*. Paper presented at the meetings of the National Institute of Mental Health Office on AIDS at the conference "Role of Families in Preventing and Adapting to HIV/AIDS, Chantilly, VA.
- Beebe, D. W., Johnson, S., Hack, T., Schober, A., Covington, A., Nonda, M., & Holmbeck, G. N. (1994, August). *A laboratory analysis of Lowe's 3-factor theory of dieting*. Paper presented at the meetings of the American Psychological Association, Los Angeles, CA.

*characteristics*. Poster presented at the National Conference for the Society of Pediatric Psychology, Philadelphia, PA.

- Psihogios, A.M., Ros, A.M., Jayan, D. & Holmbeck, G.N. (2014, March). *Examining the role of maternal, paternal, and child psychological problems on concurrent and longitudinal adherence in a population of youth with spina bifida*. Poster presented at the National Conference for the Society of Pediatric Psychology, Philadelphia, PA.
- Holbein, C., Pasulka, J., Klages, K., & Holmbeck, G. (2014, March). *Associations between educational services, psychosocial competencies, and quality of life in youth with spina bifida*. Poster presented at the Society of Pediatric Psychology Annual Conference, Philadelphia, PA.
- Lennon, J. M., Mir, S. A., Amanova, D., & Holmbeck, G. (2014, March). *Individual adjustment & parental functioning in mothers and fathers of children with spina bifida: Differences by SES*. Poster presented at the Society of Pediatric Psychology Annual Conference, Philadelphia, PA.
- Kolbuck, V. D., Lennon, J. M., Amaro, C. A., & Holmbeck, G. (2014, March). *Differences in utilization of family and peer support between mothers and fathers of children with spina bifida: A longitudinal analysis*. Poster presented at the Society of Pediatric Psychology Annual Conference, Philadelphia, PA.
- Murray, C., Palermo, T., Flores, D., Kolbuck, V., Lanka, S., & Holmbeck, H. (2014, March). *Sleep problems and internalizing symptoms as predictors of adherence in adolescents and emerging adults with spina bifida*. Paper presented as part of a symposium for Society of Pediatric Psychology Annual Conference, Philadelphia, PA.
- Psihogios, A.M., Ramasami, J., & Holmbeck, G.N. (2014, April). *A longitudinal investigation of medical adherence, responsibility-sharing, and independence in children and adolescents with spina bifida*. Poster presented at the Graduate Student Research Day at Loyola University Chicago, Chicago, IL.
- Mir, S. A., Lennon, J. M., Jayan, D. & Holmbeck, G. N. (2014, May). *Pain as a predictor of social support in children and adolescents with spina bifida*. Poster presented at the 2014 Annual Meeting of the Midwestern Psychological Association, Chicago, IL.
- Murray, C., Kais, L., Silton, R., Palermo, T., & Holmbeck, G. (2014, May). *Pain, psychological health and executive function in a college student sample*. Paper presentation for the Canadian Pain Society Annual Conference, Quebec City, Quebec.
- Lennon, J. M., Murray, C. B., & Holmbeck, G. N. (2014, November). Observed family interactions in youth with spina bifida: Family-, parent-, and child-level differences across five time points. In B. E. Compas' (Chair), *Families under stress: Processes of parenting as novel targets for intervention*. Paper to be presented at the 48th Annual Convention of the Association of Behavioral and Cognitive Therapies, Philadelphia, Pennsylvania.
- Bechtel, C. F., Kolbuck, V. D., & Holmbeck, G. N. (April 2015). *Weight-related health behaviors in youth with spina bifida: Associations in body mass index and age*. Poster presented at the National Conference for the Society of Pediatric Psychology, San Diego, CA.
- Psihogios, A.M., Ramasami, J., & Holmbeck, G.N. (April, 2015). *Disease self-management in pediatric*

*spina bifida: A longitudinal investigation of medical adherence, responsibility-sharing, and independence skills.* Poster presented at the Society of Pediatric Psychology Annual Conference, San Diego, CA.

Lennon, J. M., Pasulka, J. E., Andress, S. D., & Holmbeck, G. N. (2015, April). *Latino youth with spina bifida: Psychosocial functioning, family functioning, and acculturation.* Poster presented at the Society of Pediatric Psychology Annual Conference, San Diego, California. *Winner of the Society of Pediatric Psychology Diversity Poster Award.*

Holbein, C., Gill, E., Ahmed, S., Zebracki, K., & Holmbeck, G. (2015, April). *Parental expectations of adult milestone achievements for youth with spina bifida and subsequent milestone achievement in young adulthood.* Poster presented at the Society of Pediatric Psychology Annual Conference, San Diego, CA.

Murray, C., Holmbeck, H., Acevedo, L., Ramasami, J., Suarez-Cano, G., & Varni, J. (2015, April). *A longitudinal examination of health-related quality of life in children and adolescents with spina bifida.* Abstract and poster for Society of Pediatric Psychology Annual Conference, San Diego, CA

Holbein, C., & Holmbeck, G. (2015, April). *Towards observational measurement of social competence in youth with chronic health conditions: Development of peer interaction scales for youth with spina bifida.* Invited award presentation at the 71<sup>st</sup> Annual Meeting of the Midwestern Association of Graduate Schools, St. Louis, MO.

Murray, C., Holmbeck, G., Lennon, J. (2015, October). *Sleep disturbances and internalizing symptoms as predictors of pain in youth with spina bifida: A two-year longitudinal study.* Abstract and poster for International Forum on Pediatric Pain, Nova Scotia, Canada.

Wasserman, R. M. & Holmbeck, G. N. (2016, February). *Profiles of neuropsychological functioning in children and adolescents with spina bifida: Associations with biopsychosocial predictors and functional outcomes.* Paper presented at the 44th Annual Meeting of the International Neuropsychological Society, Boston, MA.

Papadakis, J. L., Crowe, A., Kalata, E., & Holmbeck, G. N. (2016, April). *Impact of sociodemographic factors on psychosocial functioning in youth with spina bifida.* Poster presented at the Society of Pediatric Psychology Annual Conference, Atlanta, Georgia. *Winner of the Society of Pediatric Psychology Student Poster Award and Diversity Poster Award.*

Ahmed, S., Bechtel, C. & Holmbeck, G. (2016, April). *Impact of medical, cognitive, and psychological factors on higher education and career goals in young adults with spina bifida.* Poster presented at the Society of Pediatric Psychology Annual Conference, Atlanta, GA.

Bechtel, C. F., Fernandes, N., Cuevas, G., Acevedo, L., Kolbuck, V. D., & Holmbeck, G. N. (April 2016). *Parental perceptions of child vulnerability in families of youth with spina bifida: Parental distress as a predictor.* Poster presented at the National Conference for the Society of Pediatric Psychology, Atlanta, GA.

Murray, C., Holmbeck, G., & Palermo, T. (2016, April). *Developmental Course and Determinants of Sleep Disturbances in Adolescents with and without Spina Bifida.* Abstract and poster for Society of Pediatric Psychology Annual Conference, Atlanta, GA.

Psihogios, A.M., Gil, E., & Holmbeck, G.N. (2016, April). *A concurrent and longitudinal examination of a*

*bio-neuropsychosocial model for predicting medical adherence and autonomy in youth with spina bifida.* Symposium conducted at the meeting of The Society of Pediatric Psychology Annual Conference, Atlanta, GA.

Stern, A., Lennon, J., Kolbuck, V., Ramirez, S., Holmbeck, G. (April, 2016). *Parenting Behavior in Youth with Spina Bifida: Associations among Multiple Informants and Relations with Adherence.* Poster presented at the Annual Meeting of the Society of Pediatric Psychology, Atlanta, GA

Crowe, A., Murray, C., Papadakis Lennon, J., Holmbeck, G. (2016, May). *Parenting practices among Latino and Non-Latino Caucasian parents of youth with spina bifida.* Abstract and poster for Midwestern Psychological Association Annual Conference, Chicago, IL

Bechtel, C. F., Murray, C. B., Papadakis, J. L., Stern, A., & Holmbeck, G. N. (October, 2016). The impact of parental perceptions of child vulnerability on youth depressive symptoms in families of youth with spina bifida: The potential mediating role of parenting behaviors. In B. E. Compas' (Chair) *Problems in Parenting with Pediatric Populations: Opportunities for Behavioral Interventions.* Paper presented at the Annual Convention of the Association for Behavioral and Cognitive Therapies, New York, NY.

Ohanian, D., Driscoll, C. B., Crowe, A., Yofon, P., & Holmbeck, G. N. (2017, March). *Teacher report on cooperation in youth with spina bifida: Pain as a predictor.* Poster presented at the Society of Pediatric Psychology Annual Conference, Portland, OR.

Driscoll, C. F. B., Cuevas, G., Lawson, N., & Holmbeck, G. N. (2017, March). *The impact of parent distress and parenting stress on youth- and parent proxy-report of health-related quality of life in the families of youth with spina bifida.* Poster presented at the Society of Pediatric Psychology Annual Conference, Portland, OR.

Papadakis, J. L., Fernandes, N., Kalata, E., & Holmbeck, G. N. (2017, March). *Impact of sociodemographic factors and cumulative risk on health-related, neuropsychological, and academic functioning in youth with spina bifida.* Poster presented at the Society of Pediatric Psychology Annual Conference, Portland, OR.

Stern, A., Acevedo, L., Ramirez, S., Holmbeck, G.N. (2017, March). *Influence of IQ on Academic Achievement in Youth with Spina Bifida: Examining Self-Advocacy Skills as Potential Mediators.* Poster presented at the Annual Meeting of the Society of Pediatric Psychology, Portland, OR.

Murray, C., Palermo, T., & Holmbeck, H. (2017, March). *A Case-Controlled Study of Sleep Disturbances and Fatigue in Adolescents with Spina Bifida vs Typically Developing Peers.* Poster presented at the Society of Pediatric Psychology Annual Conference, Portland, OR

## **INVITED PRESENTATIONS, MEDIA INTERVIEWS, & SOCIETY NEWSLETTERS**

January, 1988: *The role of conflict in adaptation to menarche: Sequential analysis of family interaction.* Invited colloquium at the University of Georgia, Department of Psychology.

June, 1988: Interviewed for: *Special report on adolescent "Skinheads"*, Channel 6, ABC, Philadelphia, PA.

- October, 1988: *The evolution of the family*. Invited paper presented at the American Medical Association's 9th National Conference on the Impaired Health Professional, Chicago, IL.
- January, 1989: *The role of conflict in adaptation to menarche: Sequential analysis of family interaction*. Invited colloquium for the Clinical Research Training Program in Adolescence: Winter Research Seminar, Center for the Study of Adolescence, Michael Reese Hospital and Medical Center, Chicago, IL.
- February, 1989: *Family relations during adolescence: Myths and realities*. Invited colloquium at the American Medical Association, Chicago, IL.
- February, 1989: Biological maturation and family relations during adolescence. In D. Blyth (Chair), *Moving into adolescence: Challenges and opportunities*. Invited symposium presented at the National Leadership Conference of the American Medical Association, Chicago, IL.
- May, 1989: Transition into adolescence in healthy families. In D. Blyth (Chair), *Transition into adolescence in healthy and in distressed families*. Invited symposium presented at the second annual American Medical Association National Congress on Adolescent Health, Chicago, IL.
- October, 1989: *The transition to adolescence: Myths and realities*. Invited colloquium at the University of Illinois, Chicago campus, Program in Clinical Psychology.
- January/February, 1990: *Developmental and treatment issues with adolescents*. Invited colloquium at Illinois Masonic Medical Center, Katharine Wright Psychiatric Clinic, Internship Program, Chicago, IL.
- April, 1990: *Opportunities and challenges in families with adolescents: Positive aspects of adolescence*. Invited paper presented at the University of Illinois-Chicago's conference on "Adolescents of the 1990s." Rockford, IL.
- June, 1991: *Developmental and treatment issues with adolescents*. Invited colloquium at Illinois Masonic Medical Center, Katherine Wright Psychiatric Clinic, Internship Program, Chicago, IL.
- October, 1992: *Interviewing typically-developing adolescents*. Facilitator for Medical School class on developmental psychology, University of Illinois -Chicago.
- April, 1993: *Parent-child relationships during adolescence: Challenges and opportunities*. Invited presentation for the Pathways to Knowledge lecture series, Loyola University Chicago.
- April, 1993: *Developmental and treatment issues with adolescents*. Invited colloquium at Illinois Masonic Medical Center, Katherine Wright Psychiatric Clinic, Internship Program, Chicago, IL.
- September-December, 1993; Spokesperson, *Ameritech*, Adolescent Phone Usage (public relations). Interviews with: Appleton (WI) Post Crescent; WIZM--LaCrosse, WI; WOKY--Milwaukee, WI; WTMX--Chicago, IL; Columbus (OIH) Dispatch; Cincinnati (OH) Post; Evansville (IN) Hoosier Parent; Kalamazoo (MI) Gazette; WSWI--Evansville, IN; PARENTS magazine (11/94 issue); Herald (MI) Palladium; Family Circle; Evansville (IN) Press; Healthy Kids; Warren (MI) Tribune; Kenosha (WI) News; Oakland (MI) Press; Osh Kosh (WI) Northwestern.
- November, 1993: *Parent-adolescent relationships and adolescent drug use*. Invited presentation for the Parent Alliance for Drug and Alcohol Awareness, Wilmette, IL.

- November, 1993: Interview with Jim Ritter, *Chicago Sun Times* (article to help parents manage children when they return home from college for the holidays; article appeared on 11/16/93)
- November, 1993: Interview for *March of Dimes Newsletter* ("Forward March;" Winter, 1994 issue) regarding the March of Dimes supported study: "Family Relationships and Psychosocial Adjustment in Young Adolescents with Myelomeningocele (Spina Bifida)."
- January, 1994: Interview for *Scholastic Choices* (3/94 issue) for the article "Boys and Girls Bare their Souls."
- September, 1994: *Family relationships and psychosocial adjustment in children and adolescents with spina bifida*. Presentation for the Illinois Spina Bifida Association Board of Directors, Shriners Hospital, Oak Park, IL
- October, 1994: *Attention Deficit Hyperactivity Disorder: Working with children and parents*. Presentation at the Winston Churchill Elementary School, Schaumburg, IL.
- October, 1994: *Managing discipline problems in the classroom*. Presentation at Albert Einstein Elementary School, Hanover Park, IL.
- January, 1995: *Family relationships and psychosocial adjustment in children and adolescents with spina bifida*. Presentation at Shriners Hospital, Oak Park, IL.
- October, 1995: *Attention Deficit Hyperactivity Disorder: Working with children and parents*. Presentation at Gates Elementary School, Aurora, IL.
- May, 1997: *Closing remarks*. Presentation at "Parents and professionals: Partnership in prevention--A program for parents of children and adults with spina bifida," Loyola Medical Center, Maywood, IL.
- November, 1997: Interview for *March of Dimes Newsletter* ("Forward March;" Winter, 1998 issue) regarding the March of Dimes supported study: "Family Relationships and Psychosocial Adjustment in Young Adolescents with Myelomeningocele (Spina Bifida)."
- Fall, 1998: Nussbaum, K., Holmbeck, G. N., & Richards, M. "Career Development Exchange" *Society for Research on Adolescence Newsletter* (p.7).
- February, 1999: Interview for *National Health* magazine regarding emotional and developmental issues of adolescence.
- February, 1999: Consultation for *Leo Burnett* on young adolescent girls' friendships.
- March, 1999: Consultation for *Leo Burnett* on prevention of teen smoking.
- May, 1999: Models, models, and more models: The study of psychological adjustment in pediatric populations during adolescence. Invited paper presented at *Western Illinois University*, Macomb, IL.
- August, 1999: Survey results: Part 1. Article in *Crossroads*, the newsletter for the Illinois Spina Bifida Association.

- February, 2000: Survey results: Part 2. Article in *Crossroads*, the newsletter for the Illinois Spina Bifida Association.
- March, 2002: *Family relationships and psychosocial adjustment in adolescents with spina bifida*. Invited colloquium, Virginia Tech University. Blacksburg, VA.
- April, 2002: *Methodological Plenary: New directions in pediatric psychology research; Research design issues and lessons from developmental psychology*. Invited paper presented at the Great Lakes Regional Meeting on Child Health Psychology, Milwaukee, WI.
- May, 2002: *Psychosocial adjustment and medical adherence in young adolescents with spina bifida*. Invited presentation for the First Annual Illinois/Wisconsin Spina Bifida Conference, Lisle, IL.
- July, 2002: *Mediation and moderation in pediatric psychology research*. Invited workshop at Case Western Reserve University, Cleveland, OH.
- August, 2002: *Discussion Group: Research on family interaction and chronic illness: Challenges and dilemmas*. Discussion group at the meetings of the American Psychological Association, Chicago, IL.
- March, 2003: *Developmental Issues in evidenced-based practice with children and adolescents*. Invited lecture at University of Miami: Center for Treatment Research on Adolescent Drug Abuse (CTRADA).
- May, 2003: *Impact of spina bifida on family functioning implications for child and adolescent adjustment*. Invited presentation for the Second Annual Illinois/Wisconsin Spina Bifida Conference, Lisle, IL (1<sup>st</sup> author: Rachel Neff Greenley)
- October, 2003: *Developmental Issues in evidenced-based practice with children and adolescents*. Presentation as part of the Clinical-Developmental Brown Bag Series, Loyola University Chicago.
- February, 2005: *Developmental issues in chronically-ill adolescents*. Invited presentation at Stroger/Cook County Hospital, Chicago, IL.
- June, 2005: *Developmental issues in chronically-ill adolescents*. Invited presentation at Illinois Masonic Medical Center, Chicago, IL.
- August, 2005: *Girl drama: Helping tweens through the bumpy road of friendships*. Interview for Chicago Parent Magazine.
- October, 2005: *Change over time: Psychosocial and family functioning in adolescents with spina bifida*. Invited presentation for the Third Biennial Illinois/Wisconsin Spina Bifida Conference, Lisle, IL
- November, 2005: *Change over time: Psychosocial and family functioning in adolescents with spina bifida*. Invited presentation, Department of Psychology, Marquette University, Milwaukee, WI.
- April, 2006: *Publishing your research*. Invited presentation, Department of Psychiatry, Northwestern University Medical School, Chicago, IL.
- April, 2008: *Psychosocial adjustment and family functioning in adolescents with spina bifida: What have we learned so far?* Invited presentation, Neuropsychology Seminar, University of Illinois-Chicago.

- May, 2008: *Psychosocial adjustment and family functioning in adolescents with spina bifida: What have we learned so far?* Invited presentation, Neuropsychology Seminar, University of Chicago.
- August, 2008: *Evaluation of a Summer Camp Program for Youth and Young Adults with Spina Bifida.* Presentation at the Kiwanis International Division meeting, Bettendorf, Iowa.
- October, 2008: *Psychosocial adjustment and family functioning in adolescents with spina bifida: What have we learned so far?* Presentation as part of the Clinical Brown Bag Series, Loyola University Chicago.
- March, 2012: *Family and psychosocial concepts and concerns in spina bifida.* Invited address at the 2<sup>nd</sup> World Congress on Spina Bifida Research and Care, Las Vegas, Nevada.
- April, 2012: *Open consultation on statistics and research design.* Invited presentation, Midwest Regional Conference on Pediatric Psychology: Reflecting on Past Accomplishments and Looking Toward Future Growth. Milwaukee, WI.
- October, 2012: *Psychosocial and family functioning in youth with spina bifida: What have we learned so far?* Spina Bifida Association of Illinois Professional Advisory Council, Symposium on Spina Bifida: Current Trends in Care and Treatment, Shriners Hospitals for Children—Chicago, IL.
- October, 2012: *Psychosocial and family functioning in youth with spina bifida: What have we learned so far?* Invited presentation, Virginia Tarlow, MD, Grand Rounds, Northwestern University, Department of Psychiatry and Behavioral Sciences, Chicago, IL.
- October, 2012: *Editors' Forum.* Invited presentation, The National Conference in Clinical Child & Adolescent Psychology: Translating Research into Practice, Lawrence, KS.
- December, 2012: *Securing, Negotiating, and Progressing within an Academic Job.* Invited presentation at Northwestern University Internship Didactic session, Chicago, IL.
- October, 2013: *Psychosocial and family functioning in youth with spina bifida: What have we learned so far?* Invited presentation, Center for Biobehavioral Health, The Research Institute at Nationwide Children's Hospital, Columbus, OH.
- October, 2013: *Psychosocial and family functioning in youth with spina bifida: What have we learned so far?* Spina Bifida Association of Illinois Professional Advisory Council, Symposium on Spina Bifida: Current Trends in Care and Treatment, Shriners Hospitals for Children—Chicago, IL.
- October, 2014: *Editors' Forum.* Invited presentation, The National Conference in Clinical Child & Adolescent Psychology, Lawrence, KS.
- February, 2015: *Psychosocial and family functioning in youth with spina bifida: What have we learned so far?* Invited presentation, Northern Illinois University, Department of Psychology, DeKalb, IL.
- January, 2017: *Discipline-Specific Knowledge (DSK): Adding integrative courses into a traditional course curriculum,* Meetings of the Council of University Directors of Clinical Psychology (CUDCP), San Diego, CA.

## TEACHING EXPERIENCE

Undergraduate Courses Taught (number of times taught; thru 2014-2015 academic year)

1. Statistics Lab (2)
2. Psychology of Adolescence (5)
3. Introductory Psychology (1)
4. Developmental Psychopathology/Abnormal Child Psychology (6)
5. Practicum in Psychology (1)
6. Statistics (5)

Graduate Courses Taught (number of times taught)

1. Introduction to Intellectual and Personality Assessment (13)
2. Practicum in Intellectual and Personality Assessment (10)
3. Research Methods with Children and Families (4)
4. Lab in Multivariate Statistics (2)
5. Multivariate Statistics (12)
6. Child/Adolescent Therapy and Assessment Practicum (1)
7. Research Methods in Clinical Psychology (12)

Dissertations Chaired:

- Lydia V. Santiago, Temple University, 1990: "The Effects of Acculturation and Hispanic Family Functioning on Hispanic Adolescents' Levels of Self-Esteem, Anger, and Depressive Symptomatology"
- Teresa Fuhrman, Loyola University Chicago, 1991: "Emotional Autonomy in Adolescence: The Significance of Gender, Family Structure, Family Cohesion, Parenting Style, and Culture"
- Elaine Rado, Loyola University Chicago, 1992: "The Effect of Parental Alcoholism on the Development of Object Relations in the Offspring"
- Glenn McClanahan, Loyola University Chicago, 1993: "Separation-Individuation, Family Functioning, and Adjustment in First Year College Students: A Longitudinal Study."
- Mary Jo Rogers, Loyola University Chicago, 1994: "The Effects of Interpersonal Aggression on Children's Adjustment: The Mediational Role of Cognitive Appraisal and Coping"
- Joan Faier-Routman, Loyola University Chicago, 1994: "Spina Bifida: How are Pediatric Patients and Their Mothers Coping?"
- Kelly Johnson, Loyola University Chicago, 1994: "Attachment and Autonomy in Adolescents with and without Spina Bifida"
- Greg Greenwood, Loyola University Chicago, 1996: "Early Heterosexual Risk among Urban African-American Preadolescents: A Developmental Perspective"
- Anne M. Wells, Loyola University Chicago, 1997: "Assessing Group Process in Child and Adolescent Milieus: Psychometric Refinement of the Self-Perception Profile of Staff Process"
- Blase Masini, Loyola University Chicago, 1998: "Socialization and Selection Processes of Adolescent Peer Groups"
- Penny Haney, Loyola University Chicago, 1998: "Family Paradigms and Behaviors as Mediators between Chronic Community Violence and Children's Functioning"
- Dean Beebe, Loyola University Chicago, 1998: "The Relationship between Body-Image and Affective State among College Women with Varying Levels of Eating Pathology"
- Christine Danner, Loyola University Chicago, 1998: "The Relationship between Childhood Exposure to

- Domestic Violence and Women's Experience in Adult Abusive Relationships: The Role of Coping Styles and a Socially Normative View of Domestic Violence"
- Michelle Christensen, Loyola University Chicago, 1998: "The Role of Ethnic Identity and Family Support in the Psychological Well-Being of American Indian Elders: A Comparison of Men and Women in Reservation and Urban Settings"
- Laura Riggs, Loyola University Chicago, 2000: "Parental Responsiveness and Monitoring as Mediators between Age of Mother at Childbirth and Child Outcome"
- Sharon Z. Johnson, Loyola University Chicago, 2000: "Parental Overprotection, Autonomy, and Psychosocial Adjustment in Adolescents with Spinal Cord Injuries"
- Azure D. Welborn-Thill, Loyola University Chicago, 2002: "The Influence of Pubertal Timing on Self-Concept and Depression in Pre-Adolescents with and without Spina Bifida"
- Venette Westhoven, Loyola University Chicago, 2002: "The Longitudinal Effects of Perceived and Observed Family Functioning on Internalizing Symptoms in Young Adolescents with Spina Bifida"
- Wendy Shapera, Loyola University Chicago, 2002: "Maternal Psychopathology and Child Psychosocial Adjustment in Low-Income, Urban, African-American Families"
- Jennifer Hommeyer, Loyola University Chicago, 2003: "The Efficacy of Two Familial Models in the Prediction of Adherence in Pre-Adolescents with Spina Bifida"
- Rachel Neff Greenley, Loyola University Chicago, 2003: "Familial and Parental Predictors of Parenting Behavior Trajectories during the Adolescent Transition among Families of Children with and without Spina Bifida"
- Laura A. Rubin, Loyola University Chicago, 2004: "A Longitudinal Study of Social Competence and Depressive Symptoms in Adolescents with and without Spina Bifida"
- Rachael Millstein Coakley, Loyola University Chicago, 2004: "Constructing a Prospective Model of Psychosocial Resilience in Early Adolescents with Spina Bifida: An Application of Optimal Data Analysis in Pediatric Psychology"
- Brigid Rose, Loyola University Chicago, 2004: "Attention and Executive Functions in Adolescents with Spina Bifida"
- Deborah Friedman, Loyola University Chicago, 2005: "Predictors and Outcomes of Autonomy Development in Adolescents with Spina Bifida"
- Michelle Wasserman, Loyola University Chicago, 2006: "Individual Differences in the Relationship between Ideal Media Exposure and Body Image in a Mixed Gender Sample"
- Allyse Sturdivant, Loyola University Chicago, 2006: "Peer Pressure and Sexual Activity in African-American Adolescents: Moderating Effects of Parental Communication about Sex, Parental Monitoring, and Best Friends' Sexual Behavior"
- Chisina Kapungu, Loyola University Chicago, 2006: "Individual, Parental, and Peer Influences Associated with Sexual Behaviors among African-American Adolescents"
- Nicole Cruz, Loyola University Chicago, 2006: "Psychosocial Correlates of Executive Functioning in Clinically-referred Children: Externalizing Symptoms, Internalizing Symptoms, and Academic Performance"
- Elizabeth Franks Bruno, Loyola University Chicago, 2006: "Parenting Behavior as a Mediator of the Relationship between Marital Stress and Maladjustment in Adolescents with and without Spina Bifida"
- Rita Kahng, Loyola University Chicago, 2006: "A Longitudinal Study of the Effects of Change in Parenting Behavior on Adolescent Adjustment in Families of Children with Spina Bifida: A Developmental Perspective"
- Mona Abad, Loyola University Chicago, 2007: "Determinants of Quality of Life in Youth with Spina Bifida"
- Melissa Robinson, Loyola University Chicago, 2007: "Effects of Family Factors, Relationship Schemas, Communication about Sex, and Sexual Behavior Progression on the Risky Sexual Behaviors of African American Adolescent Females"

- Barbara Jandasek, Loyola University Chicago, 2007: "Predictors of Social Competence in Adolescents with Spina Bifida"
- Kerry O'Mahar, Loyola University Chicago, 2007: "A Camp Intervention Targeting Independence Issues among Children, Adolescents, and Young Adults with Spina Bifida: A Program Development and Evaluation Study"
- Jill Zukerman, Loyola University Chicago, 2008: "Achievement of Developmental Milestones in Emerging Adults with Spina Bifida"
- Lauren Zurenda, Loyola University Chicago, 2011: "Autonomy through Social Skill Development: An Independent Intervention for Young People with Spina Bifida"
- Caitlin Sparks Roache, Loyola University Chicago, 2011: "Social Cognitive Functioning and Social Competence in Children and Adolescents with Spina Bifida and Hydrocephalus: Social Cognitive Neuroscience as a Model"
- Lauren Kelly O'Hara, Loyola University Chicago, 2012: "Neuropsychological Functioning, Parenting Behaviors, and Healthcare Behaviors among Youth with Spina Bifida"
- Bonnie Essner, Loyola University Chicago, 2012: "The Direct and Indirect Impact of Pain Intensity, Weight Status, and Activity Involvement on Social Competence Outcomes in Children and Adolescents with Spina Bifida"
- Christopher Zaddach, Loyola University Chicago, 2012: "Beyond Retention: Exploring Mental Health Benefits of Living Learning Programs"
- Jana Wingo, Loyola University Chicago, 2013: "Neuropsychological, Psychological, and Injury Variables Associated with Post-Traumatic Stress Disorder in Individuals who Suffered an Electrical Injury"
- Elizabeth Tuminello Hartman, Loyola University Chicago, 2013: "Vascular Risk, Functional Connectivity, and Episodic Memory in Older Adults"
- Rachel Wasserman, Loyola University Chicago, 2014: "Profiles of Neuropsychological Functioning in Children and Adolescents with Spina Bifida"
- Alexandra Psihogios, Loyola University Chicago, 2015: "A Concurrent and Longitudinal Examination of a Bio-Neuropsychosocial Model for Predicting Medical Adherence and Responsibility in Youth with Spina Bifida"
- Christina E. Holbein, Loyola University Chicago, 2016: "Social Skills in Youth with Spina Bifida: A Longitudinal Multimethod Investigation of Bio-Neuropsychosocial Predictors"
- Caitlin Murray, Loyola University Chicago, 2016: "Sleep-Wake Disturbance in Adolescents with Spina Bifida: Prevalence and Associations with Bio-Neuropsychosocial Functioning"

## PROFESSIONAL ACTIVITIES AND AFFILIATIONS

- Member, Advisory Board for the Child and Adolescent Anxiety Disorders Clinic, Temple University, Philip C. Kendall, Director (1987-1991).
- Reviewer, American Medical Association, National Congress on Adolescent Health, Awards Program, Comprehensive Health Interventions category (May, 1989)
- Reviewer, Journal of Experimental Child Psychology (special issue on the cognitive, social, and emotional changes during the transition to adolescence) (1989)
- Guest Co-Editor (with Dale Blyth), Journal of Early Adolescence (1990)
- Reviewer, Advances in Adolescent Development, R. Montemayor, G. Adams, & T. Gullotta (Eds.) (Vol. 2; 1990)
- Reviewer, Conference on Human Development, Richmond, VA (March, 1990)
- Reviewer, Family Life Rating Panel, United Way Priority Grants Program, Chicago, IL (1990)
- Reviewer, Prospectus for text on adolescent development, Allyn & Bacon (1993)
- Research Consultant, Tuesday's Child, Chicago, IL (1993-1994)
- Reviewer, Grant proposal, W. T. Grant Foundation, New York, NY (1994)
- Reviewer, Advances in Adolescent Development, G. Adams, R. Montemayor, & T. Gullotta (Eds.) (Vol. 8;

1995)

Reviewer, grant proposal, W. T. Grant Foundation, New York, NY (1997)

Reviewer, McGraw-Hill Book Co., Hightstown, NJ (1998)

Reviewer, grant proposal, Harry Frank Guggenheim Foundation, (1998)

Member, Data Safety and Monitoring Board (DSMB) for HIV prevention program for adolescents in therapeutic day schools; PI: Geri Donenberg (2003-).

Advisory Board, Handbook of Pediatric Psychology (4<sup>th</sup> ed.). Guilford Press. (2007).

Consultant, served as outside mentor for K23 grant submission, PI=Ahna Pai, Cincinnati Children's Hospital (2008)

Professional Advisory Council, Spina Bifida Association (2009-2011)

Professional Advisory Council, Spina Bifida Association of Illinois (2011-)

Reviewer, book proposal, Oxford University Press, (2012)

Society for Research in Child Development (Member; 1984-)

- Reviewer, Adolescence Review Panel, 1997 meetings, Washington, DC
- Reviewer, Adolescence Review Panel, 1999 meetings, Albuquerque, NM
- Reviewer, Atypical Adolescents: Social, Emotional, and Personality Processes Reviewer Panel, 2001 meetings, Minneapolis, MN
- Reviewer, Adolescence: Emotional, Social, and Personality Processes Review Panel, 2003 meetings, Tampa, FL
- Reviewer, Family Relationships Panel, 2007 meetings, Boston, MA.
- Reviewer, Family Relationships Panel, 2009 meetings, Denver, CO.

Society for Research on Adolescence (Member; 1985-)

- Member, Program Committee (1986)
- Member, Awards Committee (1988-1991)
- Reviewer, Family Relations Review Panel, 1992 meetings, Washington, DC
- Reviewer, Problem Behavior Review Panel, 1994 meetings, San Diego
- Chair, Family Relationships Review Panel, 1998 meetings, San Diego
- Reviewer, Psychopath/Problem Beh Review Panel, 2000 meetings, Chicago
- Co-Chair, Local Arrangements Committee, 2000 meetings, Chicago
- Reviewer, Family Relationships Review Panel, 2002 meetings, New Orleans
- Chair, Family Relationships Review Panel, 2004 meetings, Baltimore
