What is Psi Chi?  Psi Chi is the International Honor Society in Psychology, founded in 1929 with two primary purposes:

- To encourage, stimulate, and maintain excellence in scholarship, and
- To advance the science of psychology.

Membership in the Loyola University Chicago chapter of Psi Chi is open to undergraduate students who are majoring or minoring in psychology, and who meet the minimum qualifications. Psi Chi is a member of the Association of College Honor Societies and is an affiliate of the American Psychological Association (APA) and the Association for Psychological Science (APS). Psi Chi's sister honor society is Psi Beta, the national honor society in psychology for community and junior colleges.

Students become members by joining the chapter at the school where they are enrolled. Psi Chi chapters are operated by student officers and faculty advisors. Together they select and induct the members and carry out the goals of the Society. Over 1,100 Psi Chi chapters are located around the globe. All chapters register their inductees at the Central Office. The total number of memberships registered at the Central Office is now over 600,000 lifetime members. To learn more visit the Psi Chi website at http://www.psichi.org, and the Loyola Psi Chi Chapter website at http://www.luc.edu/psychology/orgs_psichi.shtml

Lifetime Membership. Membership is Psi Chi is for life, requiring only an initial $60, which includes national dues of $55, plus a $5 credit card processing fee. There are no annual dues. New members will be sent a web link from the national Psi Chi organization, to use to pay their $60 lifetime membership fee. Upon payment, each student will automatically be emailed a discount code for 50% ($5) off the cost of ordering a personal membership certificate, to be shipped to their home address.

Benefits of Membership. Psi Chi provides national academic recognition for academic excellence in psychology, an honor which can be noted on employment applications, vitae, and resumes. Also, as part of lifetime membership, members receive membership certificates and honor cords which can be worn at graduation. Please visit http://www.psichi.org/?page=member_benefits to learn more about the benefits of membership.
