Generally speaking, the Privacy Act of 1974 (<http://www.justice.gov/opcl/privacyact1974.htm>) makes the disclosure of a student's Social Security Number ("SSN") to the University voluntary. However, there are federal and state laws that require the University to collect a student's SSN in order to provide the student with certain services, including but not limited to, employment and student financial aid. Loyola University Chicago secures the student's SSN and uses it only as absolutely required. The SSN is never treated as a part of a student's FERPA defined directory information.

To provide the University with your SSN, if not having not done so at the time of admission, please do the following:

- Complete and present this form, the Social Security Number form.
- Appear in person at the HUB, or at the Office of Registration and Records, 820 North Michigan Ave, Ste. 510, Chicago IL 60611. Present your Social Security Card and your Student ID for copies to be made.
- Alternatively, the original, not a copy, of the Social Security Number Form may be mailed to the Office of Registration and Records, 820 North Michigan Ave, Ste. 510, Chicago IL 60611. The Form may also be scanned and emailed to Registrar@luc.edu. Whether mailed or emailed, the attached copies of the Social Security card and Student ID must be clean and clear.

If a Social Security Number and/or Social Security Card is needed, go to the Social Security Administration's Web site <http://www.ssa.gov/>.
