Dear Resident,

Thank you for your continued patience and understanding as we work to address the impact of the burst pipe in Mertz Hall.

As shared last week, you will be able to move back into your assigned space in Mertz Hall when you return from Winter Break on Sunday, January 15th. All personal belongings that have been packed and labelled will be in your room when you return. As a reminder, these belongings were packed as a precaution during the remediation assessment of your space.

While the overall project is ongoing, we have created a webpage in order to provide a centralized location for information and updates. This webpage can be accessed [here](#). Please note we have added new information to the page regarding personal property claims.

Again, thank you for your patience and collaboration.
