## RESIDENCE LIFE

2/21/23

Good afternoon, Mertz Hall!

I hope you're enjoying your week. I'm writing with a final update on the Mertz Hall burst pipe repair and relocation process. As of last week, all remaining temporarily relocated students were cleared to move back into their permanent spaces. We are very thankful that the remediation and repair work was completed very much in line with the original timeline.

As we near Spring Break and move into the last half of the semester, please continue to keep your Resident Directors and Resident Assistant updated with any Facilities or housekeeping needs you have.

Thank you!  
Residence Life
