What if you had to replace it all tomorrow?

Did you know that Loyola University Chicago does not cover the cost of your personal belongings being stolen or damaged? Due to this, you are expected to obtain renter's insurance before you move-in.

Loyola University Chicago has partnered with GradGuard, which offers a unique renter's insurance program that has protected over 500,000 students nationwide. Here are a few scenarios in which renter's insurance can help:

■ A pipe bursts in your residence hall causing damage to your laptop.

🚲 You lock your bike up, head to class and when you return, your bike is gone.

🔥 You return to the residence halls after the gym, to find that someone accidentally caused a fire on your floor and the smoke ruined all of your clothes, books and bedding.

💧 You accidentally hang your clothes on the sprinkler head. Water damage destroys your stuff and the belongings of other residents on your floor.

On the next page, you can learn more and obtain insurance from GradGuard or indicate if you prefer coverage from another provider. GradGuard will share your selection with Loyola University Chicago for our records.

*The hypothetical scenarios provided are for informational purposes only and are not promises regarding any specific claim determination or coverage decision. The sole governing document determining coverage is the insurance policy that will be provided to you upon your insurance purchase. Nothing in this document will supersede or amend the insurance policy you receive. Terms, conditions and exclusions apply.
