Ginther Scholars Program

Each year four degree-seeking students in the School of Continuing & Professional Studies (SCPS) are named Ginther Scholars. Recipients receive an award from the Marie M. Ginther Scholarship to assist them in covering tuition costs for the academic year. The scholars program is named for Marie M. Ginther (BBA ’87).

“We would like to take some hardship away and help people realize their dream because we realized our dream. I’m proud of Marie, and I hope her story can inspire others. Loyola is a special place. This kind of thing is possible.” – Ray Ginther
