How quickly can I finish my degree?
You can finish your B.A. degree at Loyola in two years.

What can I major in?

How much credit can I transfer?
Paralegal BA students are required to take 48 credit hours in paralegal courses, with at least 24 credit hours at Loyola. Loyola works with every student on an individual basis to determine the maximum amount of transfer credit possible.

Will I have any Core left?
Students who have completed the Illinois Articulation Initiative General Education Core Curriculum (IAI GECC) requirements, will have met all Core requirements at Loyola. To determine if you’ve taken the coursework required to satisfy these requirements, please review your school’s worksheet here: [http://itransfer.org/IAI/gened/singleschoolworksheet.aspx](http://itransfer.org/IAI/gened/singleschoolworksheet.aspx)

After Core, what other requirements do I need?
- **Mission Specific Courses**: six credit hours of coursework in the fields of philosophy and/or theology.
- **SCPS Courses**: three courses focused on personal and professional identity and development (9 credit hours). (See next page)
- **Major Courses**: Students can transfer up to half of the major credits. In total, students must complete 120 hours to earn a degree at Loyola.

Can I earn credit in other ways?
Students can earn credit for experience-based learning for up to four courses in the major and up to 36 credits total. Pursuing non-traditional sources of credit offer opportunities to earn credit for knowledge gained through life experiences that qualify as college-level learning, providing substantial savings of time and tuition.
