<i>Exit for Master's Program</i>		1	1	1		1	2				
Delay Phase 4 progression	2	1	5	2	5	3	8	1			
*LOA/Academic			1		2	4		1			
'Non-interrupted' Phase 1-4 completion	144 95%	137 92%	140 90%	134 89%	122 78%	142 86%	136 82%	138 81%			
Phase 4 completion	144	136	140	132	121	142	131	137			
Residency Match (%)	100%	99%	100%	98%	100%	100%	96%	99%			
Students whose 'plans' were for a '4-year curriculum'	152	145	155	149	155	163	158	161			
Students who required more than 4 years to graduate	5 students	8 students	13 students	11 students	24 students	11 students	??	??			
Residency Match (%) 4+ years to complete curriculum	4 students 80%	7 students 88%	12 students 92%	11 students 100%	22 students 92%	9 students 82%	??	??			

*Transfer students not counted in matriculation data; all these students matched into residency programs.*

*All these students matched into residency programs*

*Preliminary as these medical students participate in and may later match into a residency through a supplementary process*

*\*A LOA may not delay graduation or progression*
