

When & Where to Study Abroad

For students in the School of Continuing and Professional Studies (SCPS), summer is the best time to study abroad. SCPS students are encouraged to conduct research/independent studies or intern in their field of interest. Courses, research, or internships may count towards major, Core, general electives, and/or Engaged Learning credits, contingent on advisor approval. Courses at the Global Centers/Global Faculty-led programs are pre-approved Loyola classes. Please email abroadfinaid@luc.edu for questions about your financial aid package or visit www.luc.edu/studyabroad/interestedstudents/scholarships/ for scholarship opportunities.

Programs with Course/Research/Internship Offerings During the Summer

Loyola Global Centers

- John Felice Rome Center
- The Beijing Center
