LUC French with McGill University in

QUÉBEC

Limited space! APPLY TODAY!

Québec: Summer 2019

This 4-week French immersion program in Montréal at McGill University focuses on French in the Health Sector, examining medical conditions, social adaptation, health systems management, the Canadian medical insurance system, and more. This is a 6-credit, 300-level French course. In addition to enjoying the welcoming and enchanting city of Montréal, students will partake in a seminar course and shadow a French-speaking doctor, physician, or health professional.

For more information, please contact the program faculty leader Lisa Erceg lerceg@luc.edu

Costs

$2,200 faculty-led program fee plus 6 credits of LUC tuition and fees (check website for exact amount)

Included in Costs

Lodging, excursions, access to health sector professionals, and more!
