This new course for Spring 2017 will give students the opportunity to get hands-on experience working in the Searle Biodiesel Lab. Students will study the biodiesel industry origins, production techniques, quality control methods, and assist in producing the biodiesel fuel that powers the Loyola shuttles.

- No prerequisites
- 1-credit laboratory course
- Space is limited
- Enrollment by instructor approval only

**Instructor:**
Zach Waickman, MBA
Biodiesel Lab Manager

**Time:**
