The Department of Natural Resources is inviting applications for the following position:

**Position Title:** Graduate Student Worker (Natural Heritage Resident)

**Salary Range:** $1600.00

**Position Location:** ORC, Division of Natural Heritage, Dixon Springs State Park, RR2, Box 177, Golconda, IL (Pope County)

**Work Schedule:** Monday – Friday, 8:00 a.m. – 4:00 p.m., ½ hr unpaid lunch

**DESCRIPTION OF DUTIES:**

Under general supervision of the Regional Administrator, functions as a 12-month resident fellow. Provides assistance to both the public and private sectors in natural areas preservation, endangered species protection, and natural areas stewardship. Position is for 12 months only under the Natural Heritage Resident Program. Residents will assist in the preparation, coordination, and implementation of work plan objectives and stewardship activities; use and receive training in the use of, professional equipment, tools and ecological techniques; receive classroom training in the safe application of herbicides and apply herbicides to control exotic plant species and native weeds in natural areas and community restorations; receive training and participate in prescribed burns to manage natural communities and communities and community restorations; participate with hands on training in conducting biotic surveys and inventories and analyze data collected.

**APPLICANTS MUST BE REFERRED BY PROFESSORS**

**DESIRABLE EDUCATION, TRAINING AND EXPERIENCE:**

Requires a Bachelor’s degree in fisheries, natural heritage or wildlife resource management. Must be currently enrolled in a Master’s Degree program in plant or animal ecology, botany, forestry, wildlife biology, ecology or environmental zoology; requires possession of a valid Illinois Class D driver’s license; requires ability to obtain a pesticide applicator’s license. Requires ability to follow written and oral instructions; requires ability to establish and maintain working relationships with agency staff and the general public.

**Where**

To Apply: Carrie Agrall Rapp, Office of Resource Conservation, One Natural Resources Way, Springfield, IL 62702 217-782-0312

Employees interested in bidding for this position should complete the appropriate CMS100 Employment Application and submit it directly to the name and address listed above.

The Department of Natural Resources does not discriminate on the basis of race, color, sex, national origin, age, religion, handicap, sexual orientation, marital or parental status, physical stature and/or any non-merit factor in admission, treatment or employment in programs or activities in compliance with the Illinois Human Rights Act, the Illinois Constitution, Title VI of the 1964 Civil Rights Acts, Section 504 of the Rehabilitation Act of 1973, as amended, and the U.S. Constitution. The Equal Employment Opportunity Office is responsible for compliance and may be reached at 217/785-0067.
