

## Available Positions

### **Residential Driver & Runner: Residential Pick-up Team Chicago, Illinois - Ops Team - Part-Time**

WasteNot Compost aims to make composting as easy, clean, and cool as possible in Chicago. As a residential driver, you will be responsible for navigating the streets of Chicago, using routing information, and recording pertinent data for individual stops.

#### **Responsibilities**

- Utilize route information and navigation tools to deliver WasteNot pails to members on scheduled pick-up days
- Ensuring pails are delivered in pristine conditions to the correct addresses
- Read and understand notes on pail location to ensure pail is properly placed
- Noting pertinent data for individual stops
- Interacting with curious Chicagoans who may be interested in composting or our current members
- Serving as a liaison between WasteNot Compost and it's members

#### **About You**

- Detail-oriented, able to problem-solve quickly, and think on your feet
- Ability to adapt to changes and changing conditions
- Positive, can-do, self-starter attitude
- Strong commitment to the safety of yourself, your team members, and the WasteNot vehicle
- Mastery of navigation apps such as Google Maps
- Must have smart phone
- Must be able to lift, push, pull 50 pounds above your head
- Loves customer service and putting in a good day's work
- Ability to walk, bend, squat, climb, reach, and kneel
- Ability to communicate regularly, constructively, and effectively to team members
- Good sport and willing to work in all types of weather conditions (rain, heat, cold, snow, etc.)
- Must be able to work independently, but also collaborate with the runner to ensure tasks are completed properly
- Comfortable with frequent driving
- Valid driver's license with a clean record
- Experience driving commercial vehicles or work vans is preferred, but not required
