# Working with Student Finances (Account Summary)

Your Account Summary by Term provides "real time" information about your student account. Here you can view all charges and credits for tuition, housing, meal plans and student fees as well as any financial aid that has posted to your account. This is the best place to keep current about your account.

The screenshot shows a web interface for student finances. At the top, there is a blue navigation bar with a dropdown arrow and the text "Finances". Below this, on the left, is a "My Account" section with a green highlight around the "Account Summary By Term" link. Other links in this section include "Payment Profile", "View e-Bill(s)", "View iPlan e-Bill(s)", "View Parent/Guest", and "View/Create iPlan". Below "My Account" is a "Financial Aid" section with links for "View Financial Aid" and "Accept/Decline Awards". At the bottom of the left sidebar is a search box containing "other financial..." and a double arrow icon. On the right side of the page, there is a white box titled "Account Summary" with a blue header. Inside this box, it states "Your account balance is 1,532.00." and "Currency used is US Dollar." Below the white box is a blue button labeled "make a payment ►".
