Instructional Technology & Research Support (ITRS) has a site for more information and resources to assist students and faculty in using Sakai.

The screenshot shows the ITRS website header with the Loyola University Chicago logo and the text "INSTRUCTIONAL TECHNOLOGY AND RESEARCH SUPPORT". Navigation links include Home, A-Z Index, Contact Us, Directories, and LOCUS. A search bar and "LINKS" dropdown are also present. The main banner features the text "collaborative learning environment" around a central "Sakai" logo. A red arrow points to the "Sakai" link in the "Teaching with Technology" menu.

You can also easily access Sakai from Loyola's home page. Hover over the **Links** section and the second item listed is the Sakai site.

The image shows a screenshot of the Loyola University Chicago website. At the top left is the Loyola University Chicago logo, featuring a shield with a cross and the text "LOYOLA UNIVERSITY CHICAGO" and "AD • MAJOREM • DEL • GLORIAM". Below the logo is a navigation bar with the following menu items: ABOUT, ACADEMICS, ADMISSION, CAMPUS LIFE, and RESOURCES. On the right side, there is a "LINKS" dropdown menu. The menu items are: E-Mail, Sakai, E-Card, KR... Timcard, LOCUS, Personal Account Manager, Academic Aff..., Advising, Admission: Adult B..., Admission: Grad/Prof, Admission: International, Admission: Undergrad, Alumni Association, Athletics, Bookstore, Bursar's Office, Career Centers, Colleges and Schools, Conference Services, Continuing Education, Cuneo Mansion & Gardens, and Dining Services. A red arrow points to the "Sakai" item in the menu. The background of the website features a large image of a modern building with glass windows and a brick facade. Below the image, there is a banner that reads "Welcome to the Damen Student" and "New state-of-the-art facility is the place to be on Loyola's Lake Shore Campus". At the bottom of the page, there are several small images: a group of students, a woman, and hands holding a globe.

You will need to log in to access your course materials and Sakai content.
