The Official Opinion of
Justices Bond, Finke, Frank, Kern

In the matter of the Ethical Standards Amendment

This represents the official Judicial Board opinion in the matter of the Ethical Standards Amendment.

The members of the Judicial Board convened at our regularly scheduled meeting time of 9:30 PM Wednesday, December 5, 2012 to exercise our ability of constitutional review with regard to the Ethical Standards Amendment.

During our review of the legislation, the Judicial Board found no unconstitutional substance in the Amendment. A multitude of internal USGA ethical conduct policies and procedures have thus been implemented within the USGA Charter, Constitution, and Code. The amendment is passed, upheld and considered law.

Respectfully submitted,

Louis Kern
Chief Justice
