LOYOLA UNIVERSITY CHICAGO
Preparing people to lead extraordinary lives
Diverse viewpoints

Interdisciplinary Programs at Loyola offer you an opportunity to delve into a subject with a wide perspective. Programs such as global and international studies and forensic science are a few examples. “The many departments and programs within the College of Arts and Sciences invite all Loyola students not only to lay a well-rounded foundation for life-long learning through the Core Curriculum but also to embrace a way of thinking critically that unleashes their deepest intellectual passions,” says Thomas Regan, S.J., dean.

ALUMNI FOCUS

“The more that you put into your time here at Loyola, the more you’re going to get out in abundance.”

KELLY RAVENSCRAFT
A GLOBAL AND INTERNATIONAL STUDIES MAJOR. SHE DISCOVERED HER INTERESTS THROUGH DIALOGUE ABOUT FAITH AND JUSTICE AT THE DAMEN STUDENT CENTER AND THE RETREAT AND ECOLOGY CENTER (LUREC).

A strong foundation

Our location in the city of Chicago offers unbeatable access to numerous corporate, non-profit, and government organizations, enabling you to further refine your skills through internships, and make beneficial career connections.

15 UNDERGRADUATE RESEARCH FELLOWSHIPS

Through Loyola Undergraduate Research Opportunities Program (LUROP), undergraduate students can pursue hundreds of research opportunities as well as get advice on how to apply and prepare for a research program.
