OUTSTANDING VALUE

Your Loyola Experience will serve as the foundation for the rest of your life, so the Financial Aid Office is committed to helping you focus on college, rather than how to pay for college. Throughout the financial aid process, our expert staff will collaborate with you and your family to assess your individual financial aid needs and offer strategies to address them.

SCHOLARSHIPS

LUC.edu/scholarships

We're happy to recognize the most qualified students with merit scholarships. Merit scholarships range from \$7,500 to full tuition, based on overall academic performance.

FRESHMAN (ACADEMIC)

These Loyola scholarships are awarded solely based on academic success in high school. Your application for admission is your merit scholarship application. No separate application is needed. Students who meet specific criteria will be automatically considered.

TRANSFER (ACADEMIC)

Transfer students who have completed at least 20 semester credit hours or 30 quarter credit hours are eligible for Loyola's Transfer merit scholarships based on academic record. Scholarships for Phi Theta Kappa Members are also available. Your admission application is also your merit scholarship application.

ADDITIONAL

Loyola offers additional awards available to students based on their major or involvement in extracurricular activities. Examples include scholarships for students involved in Theatre, or ROTC. These awards require a separate application. Scholarships from outside organizations can be another key component of your financial aid package. Many organizations offer scholarships and we want to help you find them.
